Amsterdam Manor Beach Resort

At a Glance

Nestled just steps from the award-winning Eagle Beach and across from the iconic Fofoti trees, Amsterdam Manor Beach Resort welcomes couples, families and individuals in need of an unforgettable getaway. Whether you're seeking relaxation or adventure, our sunny, warm "Bon Bini" hospitality ensures your stay will be memorable.

The resort, with its charming Dutch colonial architecture, boasts vibrant colors and cozy courtyards, capturing the essence of the Dutch Caribbean atmosphere. As a proud recipient of the AAA Three Diamond award, Amsterdam Manor offers six distinct room types across 72 studios and suites. We're currently undergoing full floor-to-ceiling renovation, ensuring a fresh, modern experience that retains the island's warmth and character.

From the moment you arrive, you'll feel right at home thanks to the family-owned touch and personalized service that sets Amsterdam Manor apart from the modern high-rise resorts of Aruba. Our friendly team is dedicated to providing you with the ultimate escape, where relaxation and island charm are always just around the corner.

Location

Nestled on the west coast of Aruba and steps away from award-winning Eagle Beach, the resort is always soaking up sunny year-round weather at a constant 82° F with low humidity and refreshing east trade wind breezes, making it the perfect oasis to watch the Aruban sunset. With a central location, the resort is minutes from historic downtown Oranjestad – where you can explore various restaurants, shops, and casinos – and just a 15-minute drive from the Reina Beatrix International Airport.

Refreshing Accommodations

The resort has 72 rooms that are currently undergoing renovations. With bright Dutch Caribbean colors and a setting that will make guests feel right at home, each of our rooms come fully equipped with a modern kitchen (including a stove, refrigerator, microwave, and coffee maker), in-room safe, hair dryer, iron and ironing board, balcony or terrace, cable television, Wi-Fi, locally made Aruba Aloe toiletries, air conditioning, ceiling fan, direct dial phones and king- or queen-sized beds.

New additions include custom made mosaic tile flooring, new rustic furniture, better lighting, upgraded ventilation systems and more. Following the renovation project, all rooms will have air purifiers to circulate 50% cleaner air throughout your room, while also trapping allergens. Upgraded ventilation systems will be installed in all rooms to regulate the quality of the air by regulating humidity and CO2 levels through Healthbox 3.0, which checks the air quality 24 hours a day.

Eco-Friendly Efforts

This green resort is the first to meet the Master Certification requirements of the EarthCheck Company standards and is still instilling more programs to protect Aruba's flora, fauna and marine life for present and future generations. The Amsterdam Manor takes responsibility for the use of our water, energy, and land, through monthly beach clean-ups, reduction of single-use plastics, and more.

Travelife is an international sustainability certification, where tour operators and accommodation providers work in partnership to protect the environment and the well-being of people – including their staff, customers, and suppliers. Amsterdam Manor Beach Resort holds a Travelife Gold award, reflecting our commitment to leading in sustainability and our dedication to inspiring other hotels to join the effort. As an award-winning eco-friendly beach resort, we are constantly looking for new opportunities for improvement.

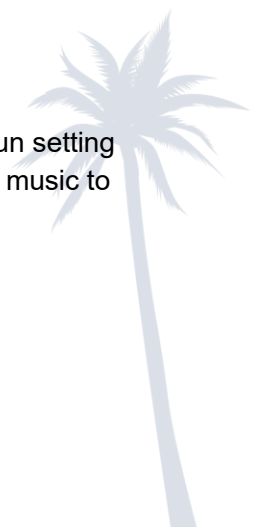

Romance

Aruba is an ideal destination for romance, weddings and honeymoons. Whether lovebirds want a simple civil ceremony at Aruba's colonial Town Hall, a romantic wedding at sunset on award-winning Eagle Beach, or an extravagant celebration with family and friends – the wedding coordinator at Amsterdam Manor Beach Resort will happily assist in orchestrating your most memorable experience.

As one of only five restaurants on-island offering a truly authentic toes-in-the-sand dining experience, Passions on the Beach is a fan favorite for visitors and locals alike. Enjoy the sun setting over the beautiful Caribbean Sea as the waves crash against the sugar sand beach making music to your ears. As it gets darker, the soft lights of tiki torches illuminate the night adding to the

enchantment of your dining experience. At Passions on the Beach, guests can enjoy an unparalleled dining experience as they savor our unique culinary dishes for breakfast, lunch, or dinner with an Aruban flair. The Passions experience has also been elevated with locally crafted vibrant blue sunshades and sleek new furniture for dining oceanside in style.
