When you choose to privatize our estate for a two-day wedding, we kindly request that you hire a wedding planner. This individual will be responsible for coordinating with various vendors that Manville does not handle, such as decorators, florists, table and chair rentals, tent rentals, musicians, lighting, and other desired entertainment. Please note that we do not permit external catering services.

As part of the privatization of the Domaine, we are pleased to offer golfers attending the wedding access to the 18-hole golf course, as well as a couples' massage session for the bride and groom and their parents.
