

Dear customers

We would like to take this opportunity, as we do every year, to inform you about the ANNUAL MAINTENANCE that is being performed on our property at this time of year.

We know how important the satisfaction of our mutual clients is to both of us, so we ask that you take the necessary steps to make our future guests aware of this work.

We are focused on providing a clean and safe environment for all of our children; Therefore, we have made the necessary arrangements for the activity program to take place in the Family Water Park and other areas where the scheduled activities will be offered so that children can continue enjoying the contests, movies and craft classes that we usually offer.

MAINTENANCE OF RESTAURANTS AND BARS

The scheduled maintenance program for all restaurants will take place from September 17th to November 29. This program includes work on furniture, bathrooms, air conditioners, kitchens, and painting in general.

We would like to emphasize that when a restaurant closes, the menu will continue to be offered in another restaurant.
