## THE DESTINATION

Brisbane, the capital of Queensland, is a cosmopolitan and lively city that is home to many different types of scenery, including skyscrapers, parkland and even an artificial beach. Brisbane is a river city, although close to the coast, with Brisbane River running through it.

There is no shortage of major attractions to visit and explore in Brisbane. Across the river from the CBD, South Bank is home to our Cultural Centre with world-class galleries and entertainment. Board the Brisbane Explorer and enjoy some of the city's most iconic sights. The Brisbane Explorer winds through the CBD and past notable landmarks including the Story Bridge; where you can do a bridge climb and experience the panoramic views across the city.
