

THE
SHARK BITE
AT THANA CITY

Where did the name Shark Bite come from?

The Shark Bite refers to a challenging collection of the final 3 holes at the Greg Norman designed - Thana City Golf Course. There are similar famous stretches of golf holes around the world such as “The Bear Trap” (PGA National Resort) and “Amen Corner” (Augusta National GC).

From the 18th fairway, you can see a shark shaped green side bunker, greeting all player’s approach shots to the final green. How will you do against the Shark Bite test?
