Restaurants

Yamazato

Yamazato is the ideal place in Manila to appreciate traditional Japanese cuisine, featuring three different areas for each of kaiseki, sushi, shabu shabu and teppanyaki. Each area represents Japanese aesthetics evoking the passing of the four seasons. There are also several private dining rooms that provide the perfect setting for business meetings or intimate gatherings.

Yawaragi

Located at the 5th floor atrium lobby, the restaurant offers culinary delights with artful dishes and breathtaking elegant spaces. Yawaragi, which means "to be completely at ease", features international gourmet dishes with Japanese specialties and international favorites.
