LONE STAR BOTANY

Lone Star Botany is the latest addition to the Lone Star family and is situated in the heart of the Botany Town Center, Botany. We can seat over 180 guests but you would never know it. There is a great deck with a fabulous view, a mid section beside the fire, or our lower dining room that feels so cozy.

GOODE BROTHERS BOTANY

We're your local Kiwi-Italian gastropub. We're less about servicing the traditions of the old country and more about bringing it inline with contemporary kiwi culture. We're being bold and doing it our way, carving our own path that's fresh and inviting.

MAD MEX BOTANY

We believe Simple is Good and Fresh is Best. We use fresh ingredients in recipes so simple you can make them at home. Seriously, we put our recipes on our website so you can whip up a salsa in a pinch. If our Abuela (grandma) doesn't recognise it, we won't use it.
