

Ultimate All-inclusive Experience

Welcome to the Alaia Belize All-inclusive experience featuring a modern sensibility to our dining experiences, infusing each restaurant and bar with the essence of Ambergris Caye. Savor locally inspired cuisine featuring fresh, seasonal ingredients sourced from the best providers in Belize.

Upon arrival at the resort, you will be given a bracelet to wear for the entirety of your stay so our staff can recognize you as an Ultimate All-inclusive guest. During your stay we will ask you to sign the check presented to you at each restaurant and bar. An extensive list of package inclusions and beverages is outlined below, and anything purchased outside of this list will be charged to you upon check-out. The all-inclusive covers only you and anyone included on your reservation who received a bracelet at check-in. It does not cover anyone else.
