

## *Ifuru Island Maldives Launches* CURATED DIVE PACKAGE COLLECTION FOR ALL LEVELS OF DIVERS

Ifuru Island Maldives has unveiled a new collection of curated dive packages, inviting guests to experience the extraordinary underwater world of the Maldives through thoughtfully designed programs tailored for beginners, aspiring divers, and certified enthusiasts alike.

Surrounded by the pristine waters of Raa Atoll, Ifuru Island Maldives offers access to vibrant house reefs, calm lagoon conditions, and some of the region's most celebrated dive sites, including the iconic Ifuru Thila. The newly introduced dive packages are designed to seamlessly combine professional dive training, guided exploration, and the ease of a premium island stay.

The collection begins with an introductory diving experience created for first-time divers who wish to discover the underwater world in a safe and relaxed environment. Guests are guided through lagoon training before venturing onto the house reef, making it an ideal first step into scuba diving without prior experience.

For those ready to take the next step, Ifuru Island Maldives offers a globally recognised scuba certification course. Designed for confident swimmers and snorkelers, the program provides professional instruction, open water dives, and lifelong certification, opening the door to dive destinations around the world.

Certified divers can explore deeper with a three-day dive escape showcasing the best of Raa Atoll. Featuring guided morning dives across renowned sites, this experience highlights the area's rich marine biodiversity, dramatic reef formations, and crystal-clear waters.

"Diving is an essential part of the Maldivian experience, and we wanted to create a collection that feels both approachable and exceptional," said Marcel Sawyer, General Manager of Ifuru Island Maldives. "Whether it's a guest's very first dive or their next great underwater adventure, these packages are designed to offer confidence, comfort, and unforgettable moments beneath the surface."

All dive packages can be booked in conjunction with Ifuru Island Maldives' premium accommodation offerings, which include the Exclusively Yours Premium All Inclusive meal plan, daily resort touches, complimentary non-motorised water sports, snorkelling gear, and return domestic flight transfers for qualifying stays.

The dive packages are available for bookings and travel throughout 2026 and must be confirmed prior to arrival. Package rates are applicable in addition to accommodation and are subject to availability.
