MARCH 2024

NEWS 7

YEAR

EXHIBITION

One year,
then another
here we are,
the journey continues!

As always,
we celebrate
the anniversary
in the company
of our friends.
Those who have
been with us
throughout these
two years and
even longer.

Indeed, that includes
our artists, customers,
and partners from
Artyzen; without
whose support,
the adventure would
not have started.

As last year,
we are opening
a new exhibition
today that underlines
our ties to the local
arts community and
Portuguese-speaking
countries, which have
always been part of
our core objectives.

With this celebration,
we confirm our
commitment
to contributing
to promoting
the visual arts and
their appreciation.

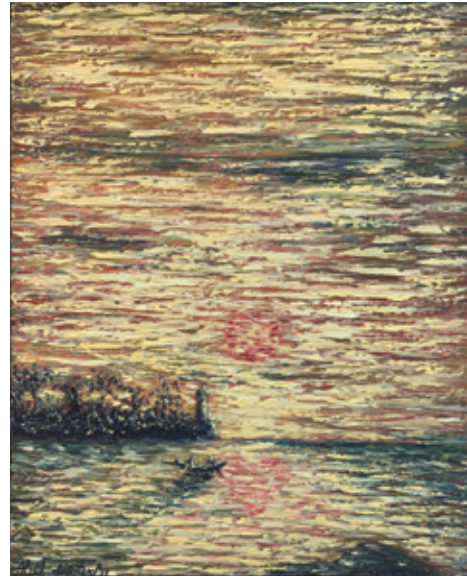

Double cheers,
renewed.
