We are delighted to welcome both you and your canine companion to The Herrington Inn & Spa. To ensure a relaxing and respectful stay for all our guests, we kindly ask that you review and acknowledge the following pet policies:

- The pet cleaning fee is **\$150 + tax** applied on the day of arrival.
- A cozy blanket and water bowl are provided for your dog's use during your visit. These items are for in-room use only; a \$50 fee will be charged for any missing items upon departure.
- Your dog must be fully trained, up to date on all vaccinations, and always wear its current rabies tag while on property.
- Please ensure your dog is always leashed or crated in public spaces and never left unattended in the room unless securely crated.
- If housekeeping or turndown service is requested, your pet must be crated or you must be present in the room. Kindly coordinate service with the Front Desk.
- Excessive barking or disruptive behavior may result in your being asked to make alternate arrangements or depart early, without refund.
- As a pet owner, you accept full financial responsibility for any damage to property or injury caused by your dog, including necessary cleaning and repair labor.
- Please always clean up after your pet. A doggie relief area is located just south of the Spa entrance; waste bags are available at the Front Desk.
- Kindly avoid walking your dog through flower beds or landscaped areas.

We thank you for your care and consideration. Should you need anything to make your stay more comfortable — for you or your four-legged friend — we're here to help.

We wish you a warm and memorable stay.
