

## HISTORY AND LIFESTYLE COMBINE IN THE ETERNAL CITY

Thompson Rome, located between Piazza Venezia and Largo di Torre Argentina, is set in a historic building central to Rome's socio-political life. The five-star hotel blends heritage with modern elegance across 69 rooms showcasing Italian craftsmanship. A true social magnet, it features the Riviera-inspired Lyve rooftop and vibrant F&B venues. As a cultural curator, it offers programming in fashion, art, and design, with the rooftop set to become a must-visit destination.

## ACCOMMODATIONS

Within a beautifully reimagined historic building, Thompson Rome offers a refined collection of accommodations. Guests can unwind in one of its 69 elegantly renovated guestrooms, including 18 suites and the signature Thompson Suite penthouse. Many guestrooms and suites are available with connecting configurations and also feature city views, balconies, or private terraces, offering an even more exclusive stay.
