TITANIC CITY TAKSIM

TITANIC HOTELS

The beginning of the hotel management adventure of AYG Group of Companies dates back to 1993 and seed of the "TITANIC" Brand was planted with the Ship Themed "Titanic Beach Lara" Hotel that was put into service in Antalya Lara Region in 2003.

Deciding to grow and make investment in hotel management with "Titanic Beach Lara" Hotel, AYG Group decided to bring together all hotels under the roof of "TITANIC" brand and to manage the new hotels to be opened with this brand due to the success and synergy of this new brand.

TITANIC HOTELS SUB-BRANDS

AYG Group determines the sub-brands and concepts of the hotels that it manages and invest in under the roof of Titanic Hotels, according to the location and physical structures of the business.

The hotels, managed by Titanic Hotels with distinctive service concept it has created with internationally accepted standards and years of experience, are classified as follows.

PALACE HOTELS Palace Resort Palace City DELUXE HOTELS Deluxe Resort Deluxe Golf Deluxe City BEACH RESORTS BUSINESS HOTELS PORT HOTELS CITY HOTELS

PRIMARY FEATURES OF TITANIC HOTELS

TITANIC HOTELS' PANDEMIC MEASURES

Due to Covid-19 Epidemic which affected the whole world at the beginning of 2020, all businesses of TITANIC HOTELS have taken all their measures for this pandemic and similar situations that may occur in the future as soon as possible.

All circulars, recommendations and publications of the World Health Organization (WHO), the Ministries of Health of Republic of Turkey and Federal Republic of Germany and all other relevant public institutions, relevant sector organizations and Scientific Committees are followed moment to moment and what is necessary is done instantly.

Regarding this situation, the "SAFE TOUCH" concept was created after review of the "Hygiene and Health Procedure" that is meticulously applied in TITANIC HOTELS businesses.

All our businesses have "SAFE TOURISM" Certificates issued by international audit institutions and these certificates are updated constantly by regular audits.
