

# Environmental Policy U Khao Yai

At U Khao Yai, nestled by Nestled along the pristine shores of Cha-Am Beach, U Khao Yai stands as an oasis of tranquility and seclusion, beckoning discerning leisure travelers in search of an exclusive escape, we are deeply committed to protecting the natural surroundings that define our unique atmosphere. Our environmental responsibility is guided by clear goals to ensure that guests enjoy a pure, tranquil experience while we operate sustainably for the future.

## Our Commitments

# U Khao Yai Sustainability Goals

Our commitment to environmental responsibility is underpinned by measurable goals. We track key resource consumption and waste generation, aiming for continuous reduction across our operations.

Category	Scope	Baseline	Unit	Reduction Target
Electricity	Guest rooms, public areas, lighting, A/C	700/ Month	kWh	1.5%
Water	Guest rooms, BOH, F&B, gardening	1,800/ Month	liters	1.5%
General Waste	Guest activities, BOH, F&B, operations	1,400/ Year	kg	3%
Food Waste	F&B, Kitchen, BOH	1,000/ Year	kg	3%

These targets reflect our ongoing effort to care for the environment by reducing our footprint throughout hotel operations and guest services experiences.

# Environmental Commitments

## 1. Pollution Prevention

- Properly treat wastewater
- Minimize air pollution by maintaining efficient kitchen and building systems
- Reduce noise pollution to preserve a tranquil riverside environment
- Encourage eco-friendly alternatives for operations and guest services

## 2. Compliance and Continuous Improvement

- Adhere strictly to all relevant environmental laws and regulations
- Regularly monitor resource consumption and waste generation
- Continuously update practices to improve environmental performance
- Set measurable targets for energy, water, and waste reduction

## 3. Environmental Awareness and Training

- Provide regular sustainability training for all staff members
- Raise awareness among guests about eco-friendly practices during their stay
- Engage with local communities to promote environmental protection
- Encourage active participation from employees in all sustainability initiatives

This policy is fully supported by hotel management and put into practice by all staff.

It is reviewed every year and updated when needed to keep our environmental goals current and in line with industry developments.
