| 2020 | Grüner Veltliner, Kamptal Terrassen, Bründlmayer, Kamptal, Austria<br><i>A lovely white with clean and fresh white fruits and discreet lemon aromas. Medium-bodied, aromatic and very juicy, this is an elegant, mineral-structured Veltliner that perfect match with steamed seafood with garlic.</i>   | \$720   |
| 2019 | Beaune 1er Cru, Beaune du Château, Domaine Bouchard Pere & Fils, Burgundy, France<br><i>The domaine has been producing this cuvée since 1907. He was the Cellar Master of Leflaive for 20 years. During his time at this notorious estate, he converted both Leflaive and his own vineyards to biodynamic farming. ## NATURAL WINES

Natural wine is farmed organically and/or biodynamically and made (or rather transformed) without adding or removing anything in the cellar. No additives or processing aids are used, and 'intervention' in the naturally occurring fermentation process is kept to a minimum. As such neither fining nor (tight) filtration are used. The result is a living wine, wholesome and full of naturally occurring microbiology.

### PÉTILLANT NATUREL

Sparkling wine made in the méthode ancestrale, meaning the wine is bottled before primary fermentation is finished, without the addition of secondary yeasts or sugars. The style is fresh and off-dry usually.

## SPARKLING WINES

### CHAMPAGNE – HENRI GIRAUD COLLECTION

*Champagne Giraud can trace its history as far back as 1625 when François Hémart settled in the village of Ay in the heart of Champagne and acquired vines.*

*They bring the quintessence of Pinot Noir and of the exceptional Ay Grand Cru terroir. Its distinctive identity is elevated by the unapologetic use of oak from Champagne's Argonne Forest during the vinification and raising of its Champagnes. It results in Champagne of strong personality, unique saltiness, minerality and energy.*
