The Ultimate All-Inclusive Experience

Welcome to the Alaya Belize All-inclusive experience featuring a modern sensibility to our dining experiences, infusing each restaurant and bar with the essence of Ambergris Caye. Savor locally inspired cuisine featuring fresh, seasonal ingredients sourced from the best providers in Belize. To grow our all-inclusive production, the all-inclusive package is now available for guests staying 2 nights or longer. Please note that guests must add it for their entire length of stay and for everyone in the room.

Upon arrival at the resort, you will be given a bracelet to wear for the entirety of your stay so our staff can recognize you as an Ultimate All-inclusive guest. During your stay we will ask you to sign the check presented to you at each restaurant and bar.
