KUPU WHAKATAKI | WELCOME

Nau mai, tauti mai, ki UniLodge Waitaha | Welcome to UniLodge Canterbury

Kai ngā ihoiho o ngā maunga whakahī e tū kāwekaweka mai nā i ō koutou rohe hokura, nau mai, tauti mai! Tēnā koutou katoa.

On behalf of the entire UniLodge Waitaha | Canterbury whanau, I would like to welcome you to your home for 2024! Living in a Hall of Residence means you are part of a community that looks after each other. Moving away from whānau and the familiar can be quite daunting. Rest assured alongside all other ākonga | students and your Taurima | Residential Advisor, we are here to facilitate a smooth transition and manage the rhythms of the academic year in a safe and supportive residential setting.

Our team is aware that you are here not only to enjoy yourself but also to study, and we understand that at times you will be under pressure to complete assignments, we will work with our residents to help teach you all how to prepare for success here at the University of Canterbury. The Aratohu Kainoho | Resident Handbook (this document) is designed to ensure that everybody understands and observes the requirements and rules so that all ākonga can enjoy their stay.

As a cohort, you may not only be from Aotearoa but from all around the world. You study a variety of subjects, have a wide range of interests and talents, and have diverse cultural backgrounds. We will embrace diversity and similarities to produce a tight-knit and vibrant community, one in which we have confidence you will be able to make lifelong friendships and memories.

Most of the information in this handbook is based on common sense and has already been explained during your initial sign-up process. Our requirements and rules ensure the COMFORT, SAFETY, HEALTH, and SECURITY of all students.

We hope that this handbook will also prove useful in answering any questions and in assisting you with the most common issues that may occur. We have team members on duty 24 hours a day, should you not find the answer you are looking for here, please give us a call.

The whānau of UniLodge commit to create an atmosphere that provides ākonga with the greatest opportunity to maximise their success, enjoyment and experience from their time studying in Ōtautahi Christchurch at Te Whare Wānanga o Waitaha | University of Canterbury.

Please read through this guide thoroughly to help you settle in. It is a useful reference tool to come back to throughout the year if you have any uncertainties.

We wish you an exciting year of self-discovery, success, and memory-making.

TE PŪRĀKAU O TUPUĀNUKU | THE STORY OF TUPUĀNUKU

The narrative of Matariki

¹Te iwa o Matariki

Tīpuna Māori (Māori ancestors) read the rising of stars as markers of the changing season - an indicator of the nature of the coming season and as a marker of passing time. Their knowledge of astronomy and astrology was second to none. Rangi Mātāmua of Ngāi Tūhoe, a professor at the University of Waikato and author of *Matariki: The Star of the Year*, stated the following.

“...Māori star lore was, and still remains, a blending together of both astronomy and astrology, and while there is undoubtedly robust science within the Māori study of the night sky, the spiritual component has always been of equal importance².”

Since early times our tīpuna have watched and studied the night sky, noting patterns of movement, phases of the month and the appearances of anomalies.³ Matariki or Pleiades is a well-known cluster of stars known by many names and is seen and acknowledged across the Pacific and the world.

Here in Aotearoa this open star cluster is visible throughout the majority of the year with the exception of a month-long period in May when the cluster sets in the western skies.

While different iwi in Aotearoa can often have different narratives and observe Matariki differently in their respective regions, Matariki plays a significant role in watching over sources of kai (food), oranga (wellbeing) and huarere (weather).

When Matariki rises it signals a time to gather together, to feast and to honour those who have passed on in the past year. As Matariki rises in the pre-dawn sky during mid-winter, offerings of sustenance to Matariki are carried out through specific ceremonies in the hope for a prosperous new season.

¹ Matariki graphic sourced online from <https://www.mcguinnessinstitute.org/foresightnz/matariki-and-maori-astronomy-with-dr-rangi-matamua/>

² Matamua, R. (2017). *Matariki, The Star Of The Year*. Wellington: Huia Publishers.

³ Best, E. (1922). *The Lore Of The Whanau Marama*.

There are nine stars within the cluster of Matariki – each of them aligned to help Papatūānuku (earth mother) to prepare for the year to come, using their unique qualities or gifts to bring mauri (life force or energy) to her different environments.

Tupuānuku is one of the nine stars associated with Matariki. There are various iwi versions of the number of stars and their whakapapa, however, the generally accepted version is Matariki (Alcyone), the mother, and her eight children – five females and three males. The female children are Pōhutukawa (Sterope/ Asterope), Tupuānuku (Pleione), Waitī (Maia), Waipunarangi (Electra), and Hiwaiteurangi (Celaeno). The three males are Tupuārangi (Atlas), Waitā (Taygeta) and Ururangi (Merope).

Tupuānuku is the star associated with food and resources harvested from the soil, both cultivated and uncultivated. It is also associated with rongoā, traditional medicines from plants sourced from beneath the soil. The name Tupuānuku is aligned to the idea of something growing from the soil – tupu or tipu means 'to grow or develop' and nuku is the shortened form of Papatūānuku, the earth mother – a personification for the earth.

Two key themes drive Te Whare Wānanga o Waitaha | University of Canterbury's cultural narrative – navigation and exploration. The names and characteristics of stars and celestial bodies have been overlaid across the campus, providing a map for the journey our students and staff take through campus, through their studies and through life.

Tupuānuku sits within good company, alongside the other navigational stars (buildings and places) like Matariki, Puaka-James Hight, Rehua, Meremere, Te Ao Mārama and Aotahi.

At UC we value manaakitanga, whanaungatanga and tiakitanga. These values guide what we do and how we do things. They challenge and inspire us to empower others and to be the best we can in our work, our studies and our interactions with each other.

Underpinning our values are the attributes of:

- Tika - doing what is right, being professional and maintaining high standards,
- Pono - being honest, truthful and acting with integrity,
- Aroha - being respectful, responsive and empathetic.

Kia tika, kia pono, kia aroha - doing what is right with integrity and empathy - This is how we check in on how well we are living the values.

At the centre of our attributes is utu - reciprocation and balance. Utu is linked to retaining mana and recognises the link between actions and reactions and that all actions require an appropriate response, whether positive or negative.

You can read more about our values on the UC website: <https://www.canterbury.ac.nz/about/values/>

Our History

WHANAU!**

Immunisation

Living in a Hall means living with a large community of other students and staff. Immunisations help protect our community and UniLodge encourages all residents to be immunised (unless for a medical reason you cannot receive a vaccination).

It is recommended that all ākonga are fully immunised including against COVID-19, measles, mumps, rubella (MMR), meningococcal ACYW, meningococcal B and pertussis (whooping cough).

The varicella immunisation is also recommended for students who have not had chicken pox or who have not already completed a course of the varicella immunisation.

Meningococcal vaccines

Meningococcal disease is an infection caused by bacteria. It can develop in just a few hours and lead to two serious and potentially life-threatening illnesses – meningitis and septicaemia. Young adults living closely with others are at high risk.

The UC Health Centre strongly recommends students are vaccinated **BEFORE** you arrive at the Hall – there are two vaccines available. Menactra/MenQuadFi protects against strains A, C, W and Y, and Bexsero protects against strain B – both are free for all domestic students up to 25 years who are entering halls of residence within the next 3 months

UC Health recommends both vaccines for everyone in Halls, there are opportunities for funding for Hall of Residence student and we suggest your contact your primary health care provider for more information.

Contact your GP for more information or visit www.canterbury.ac.nz/healthcentre/our-services/vaccine-info/

Medical

If you require a fridge for medication or a sharps bin, please let us know before you arrive. Please let us know of any medical conditions that may affect you while you stay with us, it will not affect your application!

Insurance

Before you arrive to stay at UniLodge we strongly recommend that you arrange insurance for all your personal belongings including, but not limited to, cars motorcycles, bicycles, computers, and personal effects. UniLodge and UC do not carry insurance for residents' belongings. Your whanau household policy insurance may cover children's personal belongings, but please check with your whanau first - never assume with insurance.

UniLodge accepts no responsibility for any damage, loss, or theft of students' possessions.

KĀHUI | NEIGHBOURHOODS

One of nine stars in the cluster of Matariki known as Te Iwa o Matariki or Te Kāhui o Matariki, Tupuānuku is the star that links the cluster to the harvesting of food and resources grown in the ground.

Inside the whare, you will see a number of visual representations of Tupuānuku and her connection to kai and rongoā. Additionally, and in alignment with UC's relationship with Ngāi Tūāhuriri as mana whenua and in line with the UC Strategy for Māori Development, you will see the use of reo Māori valued and adopted in the spaces, places and the role titles of kaimahi working within the whare.

Te Kāhui o Matariki means the cluster (group of stars) of Matariki but the word can have many meanings depending on the context. Just as Tupuānuku is part of a kāhui, on arrival ākongā will be grouped into kāhui made up of like-minded students who will most likely become your first and close friends throughout your journey with us at UC. We have adopted the name Kāhui for the (area) system of support and social connection during your stay with us at Tupuānuku. On arrival our Taurima will show you to your room and introduce you to the kāhui system. As you will not know which kāhui or room you will be in until you arrive, take this opportunity to meet as many new friends as possible.

The naming paradigm for the Kāhui is based on the life cycle of plants and is associated with Tupuānuku as the star who links us to food and resources grown in the soil.

Each stage of development is acknowledged - from the time the seed is dispersed by the wind, through to the time it reaches full maturity and bears fruit before harvesting for the purposes of our health, nutrition, and wellbeing.

| Tae o ngā Kāhui | Ingoa Kāhui Kāhui Names | Whakamārama Explanation |
|-----------------|---------------------------|---|
| Yellow | Te Puananī | A wind-dispersed seed. |
| Brown | Te Kākano | The seed, kernel or pip that begins to germinate in the soil. |
| Green | Te Tāmore | The sprouting of the root or formation of the taproot of a plant. |
| Green (darker) | Te Pihinga | The first shoot or leaf of a seedling as it begins to grow towards the sun. |
| Blue | Te Tipu | The plant as it continues to grow and develop. |
| Black | Te Koiaata | The plant as it throws up a new shoot. |
| Purple | Te Matikao | To plant as it forms a bud. |
| Purple (darker) | Te Ngaora | The plant bursts open as it begins to flower. |
| Red | Te Puāwai | The full bloom of the plant. |
| Orange | Te Hua | The fruit, berry or blossom of the plant as it has reached maturity. |

TŌ WĀHI NOHO | YOUR LIVING SPACE

Tupuānuku is your home, and this section will help you navigate your way around the Hall and living with us. If you have any questions always feel free to contact your UniLodge team, we are here to help and tautoko!

Room allocation and room change

Room allocations are made with careful thought and consideration. We support you having a preference, but we cannot always provide for that preference. If you are unhappy with your room, we ask that you stay in there for at least **two weeks**, put up some personal belongings and try it out before requesting a room change. Due to occupancy and other considerations, we cannot guarantee a room change at any point in the year.

It is important for you to note that we will not be permitting room change requests within the first two weeks of your time with us.

Changing Rooms

If you would like to change rooms, you will need to work with the Kaitātai or another appropriate member of the UniLodge team. You will need to inform us of the valid reason you have to want to move rooms and complete any paperwork we might need.

If you are permitted a room change, a charge of \$100 plus any additional cleaning fees (starting at \$100, depending on the cleanliness of the room), will apply on each occasion that you request and are granted a move from one room to another within Tupuānuku.

Room Inventory

You will be emailed a link to the room inventory form on your arrival. You will need to complete it and email it back within 48 hours. You will need to note all issues in the room even if you think it is not too bad. We expect that when you leave at the end of the year, the room will be in the same condition in which it was found at the start.

What is provided in your bedroom

The following items are provided in your bedroom:

- Bed,
- Desk,
- Wardrobe,
- Desk chair,
- Wall mounted lamp,
- Heater
- Lamp
- Bed sheets

Room Cleaning

Your room will be vacuumed weekly (subject to any items on the floor), and bin emptied. We ask that you keep your room clean and tidy to allow our cleaners to complete their jobs. That does mean you do not leave your clothes all over the floor.

Common area cleaning

The Housekeeping team will clean the communal areas and bathrooms regularly according to a schedule. If you feel there are any issues with the cleaning standards, please do let us know, by emailing tupuanuku@unilodge.co.nz.

Linen

WHEAKO NOHONGA | RESIDENTIAL LIFE

Residential Life is an integrated, contemporary, residential life programme, run by UniLodge for our Kainoho | Residents. It is designed to support and bring out the best in each Kainoho through the duties and activities carried out by Kaimahi | staff at UniLodge.

Bicultural Competence and Confidence

UC is working towards an education system that includes te ao Māori, Māori world views, and mātauranga Māori, Māori indigenous knowledge systems, the land and their relationships with Tangata Tiriti (non-Māori people living in Aotearoa). The UC Graduate Profile provides a framework for bicultural competence and confidence, which is the ability to interact confidently and appropriately with people from different backgrounds.

It goes beyond an awareness of, or sensitivity to, another culture to include the ability to use that knowledge in intercultural situations. It is focused upon the inclusion of mātauranga Māori and mātauranga Ngāi Tahu, Ngāi Tahu knowledge, within undergraduate degrees. The sense of belonging and commitment to Māori aspirations is made manifest for Māori.

UC is a committed bicultural university operating in an intercultural world. We not only recognise the role of, and partnership with Ngāi Tūāhuriri and Ngāi Tahu as the local hapū and iwi who are mana whenua, we also aim to embed a bicultural perspective in all our learning, teaching, research and in everything we do. We also acknowledge the unique connection we have in Aotearoa through shared narratives that reach across the Pacific.

Ākonga who reside at UniLodge Waitaha will be entering a whare that values, respects, encourages and normalises mātauranga, tikanga and te reo Māori (Māori knowledge, protocols and language) as the indigenous language and people of Aotearoa. UniLodge Christchurch is a whare that supports the use of all languages and is inclusive of all people from all cultures and backgrounds.

We value manaakitanga at UC and within our whare, UniLodge Waitaha. We promote a culture of mutual respect, tolerance, and celebration of diversity and will provide opportunity for the building of bicultural understanding, within an intercultural context. We aim to create an environment where everyone feels respected and looks out for everyone else. A community where residents feel they belong and can share a sense of whānau, and where friendship and whakawhanaungatanga are valued. We aim to provide opportunities for residents to interact with, learn from, and value everyone.

UniLodge Waitaha offers a balanced programme of activities that supports Resident life across many dimensions such as: standard of living and quality of life, cultural, mental and physical health and wellbeing, academic and personal achievements, personal and social relationships, safety and security and community connectivity.

Our Residential Life framework objectives

Our Residential Life framework focuses on 5 key areas. Each of these areas has key objectives. These are:

Academic Objectives - To support the student's University experience and their goal of achieving academic and personal success; including degree attainment, improved career prospects and future employability.

Social Objectives - To provide residents with lifelong friendships and connections through social interactions and local experience, whilst enabling community belonging.

Community Objectives - To promote a sense of community connection and responsibility and engage residents in a range of socially responsible and sustainable practices.

Cultural Objectives - To assist in the development of cultural competency - the understanding and appreciation of human differences - and to encourage social responsibility.

Health and Wellbeing - To encourage positive mental and physical personal health and assist with leisure pursuits amongst the broader community.

What kind of programmes will be on offer?

So you are probably thinking, what kind of events will be run? Well we have you covered with:

- Social responsible activities that focus on whakawhanaungatanga (establishing and strengthening relationships) such as getting ākongā involved in raising much needed funds for a charity initiatives like Movember, or participation in community activities and with the student Army.

AHUMONI | FINANCES

If you have not set up a direct debit or paid in advance you will not be permitted to move into the Hall. If you fall behind in your payments UniLodge will work with you to catch up, or if you continue to default on your payments, you will have your residency reviewed.

Your financial responsibility

If you are 18 years or over (and not associated with a study abroad group or full fee-paying UC scholarship) you are responsible for the timely payment of your accommodation fees. You are to ensure that you do not fall into debt and pay for all additional services, cost recovery or events promptly. UniLodge will hold you as the contract holder liable for all debt and if your balance is not at \$0.00 on check out, you could be referred to debt collectors. In addition we will also work with your Financial Guarantor on fee payment as well. Please contact a member of your UniLodge team if you are having financial difficulty so that we may advise and support you as needed.

Paying your fees

You can pay your accommodation fees in two ways:

Direct debit: Completing a direct debit form for the regular fortnightly payments from you nominated bank account.

Online payments: You can make payments via the Flywire connection on the UniLodge Resident Portal. This is suitable for catching up with missed payments, additional charges or to put your account into credit.

Copies of your payment schedule can be found alongside your Residential agreement.

Important information to consider

The period of the residential agreement is fixed. You will be required to pay for the accommodation for the full period you have agreed to even if you arrive later than the start date or leave prior to the end date. When looking at your room account online, 'Cr' stands for credit and indicates a positive balance where 'Dr' represents debit and indicates a negative balance.

Financial Support

Thinking about money can often be uncomfortable, especially if we are heading into financial hardship. We want you to know that we are here to support you. If you are experiencing financial hardship, please do talk to your UniLodge team, we are able to assist you and refer you support services. PŪNAHA NAWE | COMPLAINT PROCESS

UniLodge aims to resolve resident complaints in a transparent and fair manner. With respect to our privacy policy UniLodge will disclose to the complainant any requested information or documentation required to fully address the complaint.

Our objective in providing a complaints process is to allow our residents to air their grievances in a constructive manner with a focus on reaching a mutually acceptable solution. Where a mutually acceptable solution cannot be reached, UniLodge may refer to the resident handbook or to your Occupancy Agreement in response to your grievance.

UniLodge aims to reach resolution of the complaint in a reasonable time frame, with a focus on minimising any ongoing impact to the resident engaging in the complaints process.

Step 1: Contact a member of the UniLodge Waitaha team. Explain your grievance and your desired outcome.

Staff will respond to your complaint within five business days and may request to meet with the complainant as part of reaching a solution.

(Not resolved?)

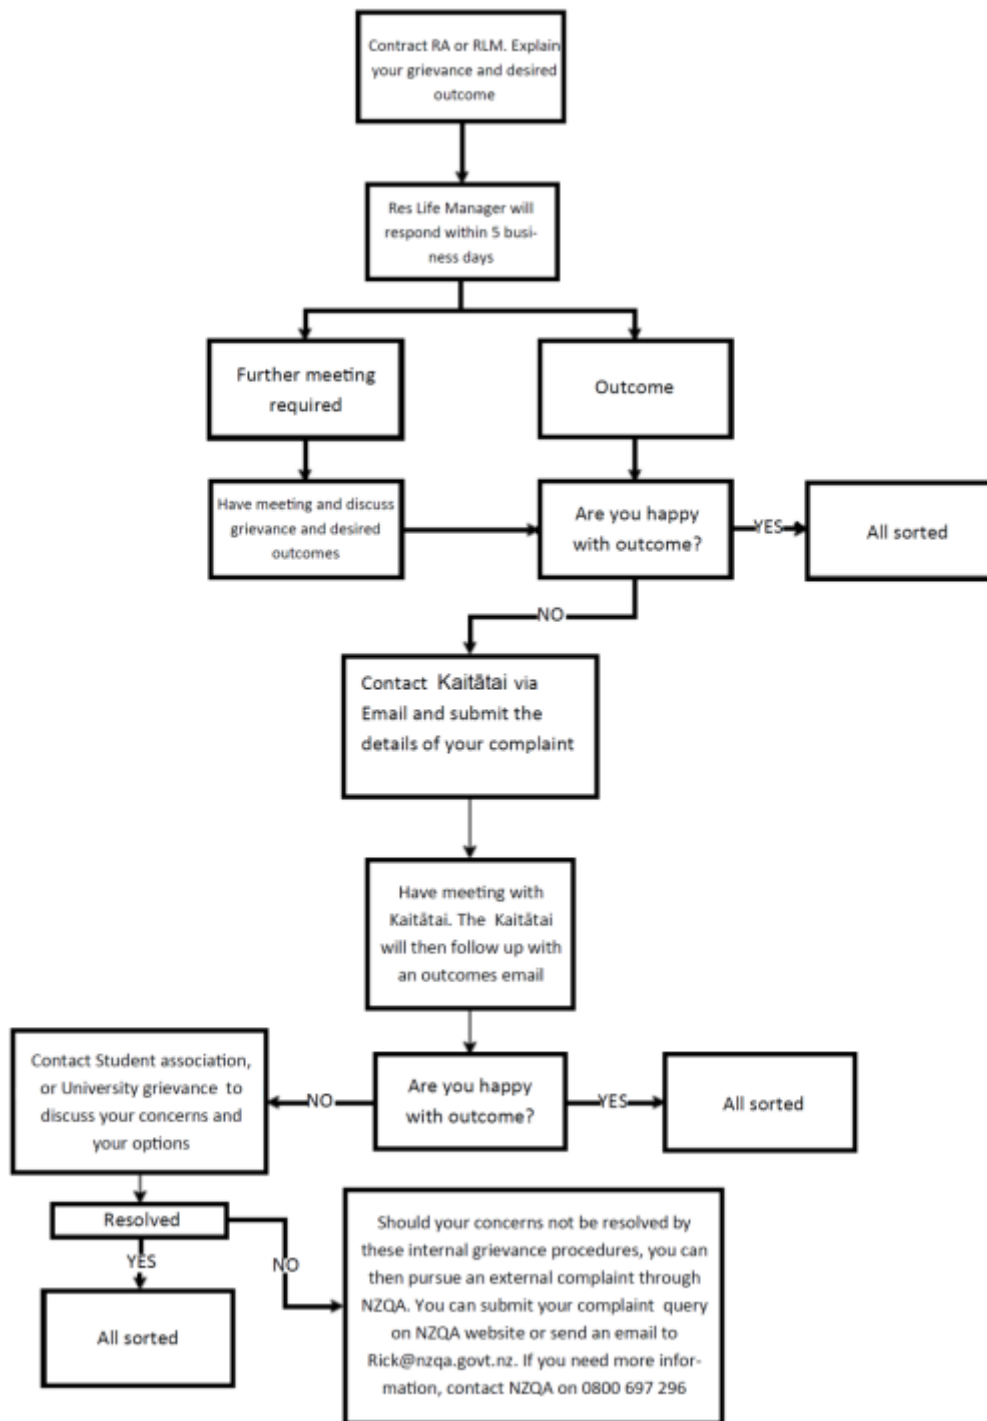

Step 2: Contact the General Manager Portfolio via email and submit the details of your complaint in writing. The General Manager Portfolio will request a meeting to discuss the matter further.

(Not resolved?)

It is important to remember that you have signed an Occupancy Agreement. An Occupancy Agreement differs from a Tenancy Agreement quite significantly.

Step 3: Should you be unhappy with the outcome from your complaint you can escalate it to the UCSA, or the University Grievance Coordinator to discuss your concerns and your options (phone number 03 369 0292).

Step 4: Should your concerns not be resolved by these internal grievance procedures; you can then pursue an external complaint through Mana Tohu Mātauranga o Aotearoa | NZQA. You can submit your complaint query on the NZQA website or send an email to risk@nzqa.govt.nz. If you need more information, contact NZQA on 0800 697 296.

WHAI TAUNAKI, WHAI ORANGA | ADVOCACY AND WELFARE

There are times where you might be worried or concerned about someone in our community, a friend, or whānau member. We encourage you to start a conversation, its ok not to be ok. You do not need to be an expert to reach out- just be a friend and listen. If you are worried about a friend but you do not want them to know you are concerned, we encourage you to fill out a care report (covered later in the handbook). We can then touch base with the resident you are concerned about.

We have set out our rules and guidelines to promote a safe and productive environment for all those in our care. It is designed to foster our expectations of who we are.

We are open and able to hear other points of view

We have a sense of connection with people and an interest in the well-being of others We are willing to abide by group and UniLodge Waitaha agreements

We are willing to speak up

We are willing to be quiet and listen We have a healthy sense of self

UniLodge Waitaha is a whare that values manaakitanga - we encourage everyone to behave in a way that reflects this value at all times.

Tips on taking care of yourself

Share thoughts and feelings with friends, whānau, or a counsellor. Talking your problems through as soon as they appear can really help relieve stress and anxiety.

Eat nutritious foods, get adequate sleep and exercise regularly. Doing these things can trigger a chain of healing affects - especially when you feel anxious or under stress.

Build and maintain your self-esteem. As you work on building your self-esteem you will feel better more often, enjoy your life more than you did before, and do more of the things you have always wanted to do.

Learn to relax and spend time doing the things you love to do! There are many relaxation techniques and other methods available to suit personalities and lifestyles, eg, hobbies, reading and meditation.

Seek help. A problem can sometimes be too hard to solve alone - or with friends and family - so it is important to seek professional help. You can see your family doctor, a community group, a psychiatrist, nurse, occupational therapist, psychologist, social worker, or counsellor.

The University of Canterbury Students' Association (UCSA) is independent of the University and exists to support students – ākongā tū, ākongā ora. You can contact the Advocacy and Welfare Team via email, phone, or just drop into the UCSA offices to discuss your concern. The UCSA Student Advocate will be able to assist you in:

- Navigating the correct University appeals and complaints processes.
- Concern, complaint, and appeal letter writing.
- Locating and understanding important University regulations and policies
- Helping you to understand all your options and avenues for resolution.
- Advising you on what evidence may be required for an appeal or complaint.
- Facilitating the communication between you and the University.
- Attending meetings as a support person or advocate and assisting with appeals.

The Student Advocate exists to provide this independent, confidential support to students so that they do not have to navigate appeals, grievances or general concerns alone – deciding to pursue one of these can be daunting, and it can help to have someone who knows the process to help you out! You can find the UCSA offices in Haere-roa, Atawhai Ākongā | Student Care in the Forestry Building, Pacific student advisors at 37 Creyke Road and Kaiurungi (Māori student advisors) in Te Ao Mārama.

Consent

With over 500 kainoho at Tupuānuku and thousands of young adult students at Te Whare Wānanga o Waitaha | University of Canterbury, relationships will form between kainoho. These may range from casual friendships to more intimate interactions. In all relationship matters it is essential that mutual respect and consent is followed by both parties. All kainoho of UniLodge must be very clear on the meaning of sexual consent. Prior to arrival you will receive a link to your on- line training platform for UniLodge, these courses are mandatory for all residents. Sexual activity

without consent may be treated as serious misconduct and is likely to involve Te Whare Wānanga o Waitaha | University of Canterbury and Te Pirihimana o Aotearoa | New Zealand Police.

- The following are very good guidelines.
- Consent must be **CLEAR**. The absence of a no does not mean yes. Silence is not consent. No means no.
- Consent must be **COHERENT** People who are asleep or incapacitated by drugs or alcohol cannot give consent.
- Consent must be **WILLING**. It is never given under pressure, whether that is emotional or physical manipulation or threats being used.
- Consent must be **ONGOING**. If someone consents to one sexual activity, that does not mean consent to all or repeated activities. As a community you are also responsible for each other. Please look after your friends and be pro-active in supporting anyone who is in potential danger or harm.

**SEXUAL
CONSENT...
GET IT. GET IT?**

WAIPIRO, TARUKINO, MOMI TŪPEKA, MOMI MAMAOA | ALCOHOL, DRUGS, SMOKING AND VAPING

Drinking in the Hall must be in a safe, responsible, civilized manner so the rights of others are not compromised, and personal health and safety is ensured. The sensible use of alcohol using ALACs standard drink guidelines is officially accepted at UniLodge Waitaha.

No glass bottles (excluding wine bottles) these will be removed from site. This ban is strictly upheld across UC campus.

- Self-regulatory behaviour is expected around consumption and quantities purchased.
- Laws relating to underage drinking pertain to all aspects of on campus living.
- Host responsibility is important
- The consumption of alcohol is NOT allowed in any non-designated public area (e.g. hallways, kitchens, TV lounges or on the grounds of UniLodge Waitaha).
- Alcohol is not to be stored in the communal refrigerators and will be confiscated if found.
- Spirits, kegs, crates, funnels, drinking games and use of alcohol delivery services are strictly prohibited. No kegs, crates, casks, home-brewing kits, or liqueurs are allowed anywhere onsite.
- Residents breaching the guidelines can expect to be brought to the attention of UniLodge Management who will then follow up.
- Empty vessels must be taken to house recycling not stored as trophies on your windowsill (kia kounga tō noho! We have more class than this).
- Being grossly intoxicated on site is a breach of contract with severe consequences.
- Guests are not permitted to bring alcohol into UniLodge Waitaha

Drugs/Drug Paraphernalia

Except in the case of medical prescriptions, the use of drugs and the storage of equipment to consume drugs is banned at UniLodge Waitaha and Te Whare Wānanga o Waitaha | University of Canterbury. Where a disciplinary process establishes that a resident has committed a breach of this policy, their contract will be terminated. This sanction may be reviewed through the appeals process outlined in the accommodation contract.

Legal Substances

At any given time, a substance can, be classed as legal and yet it can have serious effects on your mental and physical health, some of which are not yet known. The legality of substances is something that can change suddenly because of the government passing laws. The fact that a substance has become illegal after you purchased it will not be accepted as an excuse by the law or by UniLodge or UC. While we recognise that some readily available substances are classed as legal, we cannot condone the use of these substances due to the unknown or potentially negative health effects they will have. Should any changes be made to current legislation relating to alcohol purchase and/or use, these will naturally apply automatically.

Cannabis is not permitted on site in any form.

MAHERE OHOTATA | EMERGENCY PLANS

Safety, Security and Fire

Please ensure external doors are shut behind you after you come in. This is for the safety of you and your peers.

- To protect your belongings, it is crucial that you lock your door and windows whenever you are away from your room (even if just for a short time). It is also advisable that you lock your bedroom when you go to bed at night.
- Cleaners will lock your room once they have cleaned it, regardless of whether it was locked when they entered it.
- Fire safety requirements strictly prohibit the burning of candles or incense in the Hall buildings. All rooms are fitted with sensitive smoke alarms that can be easily set off by deodorant spray, hair straighteners and burnt toast, for example.
- Any fire callout caused through resident carelessness will be charged to the resident responsible.
- Fire Exits **MUST NOT** be used unless in an emergency. Any use will sound an alarm
- Students must not cover smoke detectors or sprinklers in their rooms/ common areas

Tampering with fire equipment/lifesaving systems in UniLodge Christchurch may result in cancellation of your residential contract.

Fire Alarms

It is a requirement that all students residing at UniLodge Christchurch know the fire evacuation protocol. Kaimahi will reinforce procedures at the start of the year. In the event of a fire alarm, leave the door of the room you are in unlocked but closed. Close your window if safe to do so. Calmly exit the building through the nearest emergency exit

(know where the nearest emergency exit is). Assemble point and congregate with the members of your Kāhui. A roll call will be taken promptly.

- Do not re-enter a building with an alarm sounding once you have evacuated.
- Alert duty staff if anyone is sick and room bound or needs assistance exiting a building.
- If you know that someone is out of Residence, tell your Residential Advisor or a senior staff member.
- Please do not leave the evacuation area until the “all clear” has been given.

False Alarms

False fire alarms form the bulk of Whakaratonga Iwi | NZ Fire Service callouts. Each one has a cost to the taxpayer, UniLodge and UC. Whether accidental or malicious, there are circumstances where this can be charged to the individual who set it off. Some common activators of false alarms include: Touching/tapping or knocking a detector in any way, steam from hair dryers and straighteners, excessive use of alcohol-based sprays and aerosols, smoke from burnt food.

Earthquakes

In the event of an earthquake, you should seek cover away from glass and brace yourself (drop, cover, hold). Remain in this position until shaking stops and it is safe to exit building. Assemble in our emergency evacuation point. A roll call will be taken promptly. Please do not leave the site without informing a staff member.

Lockdown

In the rare event of a lockdown at UniLodge Waitaha:

Remain indoors, draw curtains if can, keep away from windows, out of sight and low to ground, turn off lights, lock, and barricade door, stay quiet but alert, put cell phone on silent, calm breathing, await instructions and all clear. If possible, all key access will be suspended until lockdown has been cleared. Please make sure you download the UCگو app. <https://www.canterbury.ac.nz/ucgo/>

Emergency Preparedness

Kia rite, kia mataara - you should be prepared for an emergency. It is recommended that all residents have a small personal emergency kit that is kept in their room, containing the following.

- Emergency contact details
- Torch and spare batteries
- Sturdy pair of shoes
- Medications
- Hand gel
- Bottles of water
- Snack
- Jacket or something warm
- Cell phone
- Mask

PŪRONGO TIAKI | CARE REPORTS

We are a community that cares!

This form is for reporting a concern about a current Resident in UniLodge Waitaha. CARE reports should only include objective, observable, and information. We ask that you avoid labels, stereotypes, and reporting based on hearsay or mere assumptions. A staff member will review the information within two (2) business day and take appropriate action, which may or may not include contacting the student, you, and any witnesses identified. If you have questions about a report you filed, please call us. CARE reports are not reviewed outside of business hours or on university holidays.

Please note that in most cases we are UNABLE to provide an update to the person/s lodging this report due to several reasons.

All CARE reports are routed to the UniLodge management team and residential life staff.

Does the person you are creating a report pose a threat of harm to self or others? If yes, please call emergency services (111) and then the on-duty staff member.

If no, please proceed with the report below.

- Think before you buy, use or waste and re-use whatever you can, avoid unnecessary consumption.
- Choose products that are more durable, have recyclable or compostable packaging, and have fewer environmental impacts
- Think about your everyday habits, can you carry with you a keep cup, drink bottle or other reusable item?
- Repair, rather than replace, repairable items
- Reduce your food waste, compost where you can and don't make or purchase more than you can finish
- Ensure you recycle effectively – do not contaminate the recycling bins with incorrect items
