Fine spirits have been served on this property for over two centuries. In the early 1800s, you might have been offered whiskey or Cognac, decanted directly from barrels stored in our cellar. After Prohibition ended, tequilas, mezcals, and rums from the south became staples on the back bar. Today, we have the best of both worlds.

Join us on a spirited exploration through the world's most exclusive distilleries, where every pour tells a story of passion, dedication, and uncompromising quality. At The Copper Bar, pursuing perfection is not just a goal, but a way of life.
