Bay Gardens Resorts Launches 30th Anniversary Celebrations

On January 30, 2025, Bay Gardens Resorts kicked off its 30th Anniversary celebrations with an illustrious launch event at the Bougainvillea Conference Room of the Bay Gardens Hotel.

A significant highlight of the evening was the unveiling of the Bay Gardens Community Fund, a charitable initiative aimed at empowering youth, promoting sustainability, and preserving Saint Lucia's rich cultural heritage.

During the event, the resort introduced three esteemed ambassadors: Ezra D'Fun Machine as the Cultural Ambassador, Daren Sammy as the Youth and Sports Ambassador, and Helen's Daughters, who will serve as special partners for sustainability. Their roles will focus on elevating the fund's mission and raising awareness about its impactful programs.

Mr. Sanovnik Destang, Executive Director of Bay Gardens Resorts, expressed gratitude for the journey the company has undertaken over the past 30 years. "It has been such a pleasure over the last 17 years to see the business's development and to be allowed to grow as a professional. More importantly, I have had the privilege to lead a remarkable group of professionals who have become my extended family," he reflected during the event.

The launch marked the beginning of a year-long calendar filled with activities designed to delight guests, including cultural showcases and special offers on the 30th of every month, commencing March 30. These initiatives will further celebrate the spirit of Saint Lucia while engaging the community in meaningful ways.

Bay Gardens Resorts Celebrates Saint Lucia's 46th Independence

As a proudly locally owned and operated resort chain, Independence Day holds deep significance for the Bay Gardens Resorts team. It is a time of reflection, unity, and celebration. On February 22nd, Saint Lucia marked its 46th Independence anniversary, bringing the nation together through a series of national events, including the highly anticipated Independence Baton Relay.

The National Baton Relay played a pivotal role in this year's celebrations, held under the theme "Douvan Ansanm; Health and Well-being for a Prosperous Nation." This symbolic journey united communities, institutions, and citizens, reinforcing a shared commitment to national progress.

Draped in vibrant national colours and fueled by an unwavering patriotic spirit, the Bay Gardens Resorts team proudly participated in this momentous event. The relay aimed to foster inclusivity and community engagement, as the locally crafted baton was passed from hand to hand, connecting business leaders, athletes, civil servants, and everyday citizens eager to be part of the celebration.

Our directors, management, and staff came out in full support, rallying alongside our esteemed former General Managers, Mrs. Berthia Parle and Mrs. Waltrude Patrick, as they represented Bay Gardens Resorts in the northern leg of this prestigious relay. With Bay Gardens staff and guests also cheering along, the moment was filled with national pride and unity.

What made this event even more special? It marked the beginning of Bay Gardens Resorts' 30th Anniversary celebrations—a testament to three decades of service, excellence, and commitment to Saint Lucia!

Bay Gardens Resorts is honoured to call Saint Lucia home and extends its warmest wishes to all Saint Lucians, both on the island and in the diaspora. We hope everyone enjoyed the Independence celebrations as much as we did!

BAY GARDENS HOTEL "LOVELY LOCATION"

Review by JK Karen

Very comfortable and convenient location. Staff very efficient and friendly. Use of sister hotel's facilities was a bonus, and a very efficient shuttle bus service between the two hotels and the Marina.

BAY GARDENS MARINA HAVEN "FANTASTIC HOTEL IN RODNEY BAY. HIGHLY RECOMMENDED"

Review by Jeff B

Being in the hotel business, I am very picky. I must say that this hotel, staff, location, breakfast, amenities is excellent. I must point out the manager, Miss Oneka, who went out of her way to check me in early, extend me a courtesy breakfast, and checked up on me after I was all settled in. The pool bar was excellent with guests singing to great music and having a blast. I highly recommend this hotel.

BAY GARDENS INN "LOVELY AND QUIET"

Review by Salty St Lucia

Bay Gardens Inn was fantastic. It was quiet, the staff were lovely and friendly & if we needed anything they soon got it sorted. It was great to just walk around the corner to Bay Gardens Hotel for the bar and food in the restaurant there and then walk back afterwards to our room. The food was excellent by the way. The pool was lovely at the Inn and room was spacious, bathroom perfect & lovely balcony.
