PERFORMED BY  
**MURDERS ON DEMAND**

A chocolate cake with a large knife stuck into it, set in a kitchen with a poster in the background. The cake is decorated with chocolate shavings and has a slice cut out, revealing a layered interior. The knife has a wooden handle and a large blade. The background features a poster that reads "PERFORMED BY MURDERS ON DEMAND", a whisk hanging on the wall, and various kitchen items like jars and a bowl. The scene is lit with warm, orange light from a lamp on the left and a cooler blue light from the right.
