Our seminar rooms can also be hired without benefiting from the day rates. You can thus design your day and the culinary catering of your participants completely according to your wishes. Ask us about our packages: whether it's coffee during the break, a sandwich, standing lunch or a business lunch – we are happy to make it possible for you. Thanks to the soundproofed dividing walls, the rooms can be adjusted to the required size, and the type of seating can be chosen. All rooms have air conditioning, natural light and up-to-date seminar equipment.
