# Mainland Tour

## *Xunantunich Tour*

**Description:** Take the hand-cranked ferry over the Mopan River to Xunantunich, which sits atop a hill in San Jose Succutz village with panoramic views of the Cayo District. The area was a major ceremonial site built on a natural limestone ridge during the Classic Period. It contains six (6) plazas, with more than 25 Maya temples and palaces. The largest pyramid at the site, El Castillo (the Castle), is 130 feet above the plaza, with carved friezes on the east and west sides of structure A-6.
