

FOR THE FAMILY PACK

HOW-TO GUIDE FOR A MAGICAL MAINE ADVENTURE WITH THE FAMILY

ADVENTURES FOR ALL

Morning:

- Fuel up at **Crossroads Diner**, where kids can dig into pancakes the size of their heads and parents can get their coffee fix. Or grab a cinnamon roll and a latte to-go from **DiCocoa's** and enjoy a quiet morning walk through town.

Midday:

- Pop into the **Maine Mineral & Gem Museum**, where even little ones will be fascinated by giant crystals, meteorites, and glowing rocks. It's part science, part wow-factor.

Evening:

- Wrap up with an evening around the firepit, roasting s'mores and watching the stars. If you're staying at **The Bethel Resort**, check for family-friendly evening activities or just enjoy some quiet porch time as the day winds down.

WATERSIDE WONDERS AWAIT
