SKI RENTAL - GENERAL TERMS, RULES AND RENTAL CONDITIONS

1. The renter accepts full responsibility for the rental equipment. It is intended solely for use by the named customer and may not be sublet, loaned or passed on, even free of charge.

2. The equipment is not insured against theft. Breakage caused during normal and proper use will not be charged to the renter.

3. In the event of loss or theft, the renter will be charged the current market value of the rental equipment.

4. Any theft or loss must be reported by the customer to the local police or competent authority.

5. Each renter is liable for the proper return of the equipment up to its full retail value. Damage caused by improper use and not covered by a separate liability agreement will be repaired at the renter's expense according to the current price list.

6. During the rental period, equipment may be exchanged for equivalent items at any time. Upgrades are available for a surcharge; no refund is granted for exchanges to a lower-priced category.

7. Rental charges apply through the day of return. Equipment must be returned no later than 10:00 a.m. on the following day.

8. If the equipment is not returned on the agreed date, for any reason, the lessor will automatically file a theft report against the renter on the seventh day overdue.

9. No refund will be granted for early return of rental equipment.

10. Refunds are granted only in the event of illness and/or accident and upon presentation of a medical certificate.

11. A standard rental agreement is required for the mounting, repair or adjustment of ski bindings. By signing, the customer consents to professional adjustment in accordance with the manufacturer's instructions and accepts these rules and rental conditions.

12. A rental agreement may be concluded only upon presentation of an identity document or credit card. The lessor may require security by retaining a passport, identity card or driving licence, or by requesting a deposit. Such security does not constitute a purchase price for the equipment.
