

stay I meet I enjoy

COMFORT & ELEGANCE

The Hôtel des Innovations is a stylish and comfortable **4-star** hotel, **thoughtfully designed** for both business and leisure travellers. With its contemporary architecture and welcoming spaces, it offers an **elegant**, **functional setting for all types of stays**.

Nestled in a peaceful yet strategic location, the hotel features **167 rooms and suites**, including **30 fully equipped apartments and studios**, ideal for extended stays.

On the 12th floor, the **panoramic penthouse suites with private spa**and jacuzzi provide an exclusive experience.

11 fully equipped conference rooms are available either at the hotel itself or at the nearby Marly Innovation Centre (MIC), accommodating from 2 to 200 quests.

STAY
Comfort thought for you

167 accommodations tailored for every stay. Elegant rooms, refined suites with private spa, and 30 fully equipped studios and apartments.

■ MEET

11 conference rooms for 2 to 200 people in the heart of the hotel and on the MIC site

Bright, modern spaces equipped with the latest technology, perfect for all your events.

I ENJOY

Services designed to accompany you throughout your stay

TPF bus stop just 1 minute away.
On-site fitness centre, car parks,
EV charging stations and more.
Discover Fribourg; a dynamic city in
the heart of a vibrant region.

I TASTE

A refined and convivial setting to enjoy every moment

One restaurant and one bar; perfect for unwinding in a warm and inviting setting.

LOCATION

Ideally located within the **Marly Innovation Centre** (MIC) — one of Switzerland's largest technology parks — the **Hôtel des Innovations** offers a unique setting where modernity meets nature.

Make the most of the hotel's **strategic location**, close to major railway and motorway links connecting **Zurich**, **Bern**, **Lausanne** and **Geneva**.

Discover **nearby attractions** such as the Poya Bridge, Fribourg Cathedral, the Maison Cailler and the picturesque town of Gruyères with its medieval castle and famous cheese.

Explore the breathtaking landscapes of the Lac Noir, the Moléson, and the scenic Murten region to immerse yourself in the rich **beauty** and **heritage of this authentic Swiss region**.
