All You Need to Know About the Upcoming Dream Hollywood Hotel

A rendering of the Dream Hollywood's lobby

There's been a lot of buzz about the soon-to-be-opened new **Dream Hollywood** hotel, from its futuristic stylings to a nightclub with a retractable roof. And now, guests are in store for one more added bonus: access to The Lincoln Motor Company's lineup of elegant, exclusive vehicles.

The all-new Lincoln Continental, the new Lincoln MKZ and the Lincoln Navigator will be accessible to hotel clientele as part of a collaboration with the Dream Hotel Group announcing **The Lincoln Motor Company** as its official luxury vehicle.

Lincoln Black Label members will receive exclusive privileges including a preferential rate, exclusive dining reservations and 24/7 access to a Dream Hollywood concierge when booking at the property.

Take in awe-inspiring views of the City of Angels from elevated suites at the Dream Hollywood

The new **Dream Hollywood hotel**, which is slated to open in early 2017, will be located in the heart of Hollywood on the buzzing corner of Selma Ave. and N. Cahuenga Blvd., and will be flanked by a pedestrian walkway linking the hotel and adjacent restaurant and nightlife venues operated by a world-class hospitality partner, transforming nearly half a city block into a communal gathering space.

The 178-room destination, as designed by award-winning Rockwell Group and inspired by architect Richard Neutra's work, will feature double-height ceilings, plush interiors, garden inspired pathways and trellis lighting, creating the perfect blend of hyper-chic and comfort.

There is also an 11,000-square-foot rooftop with a pool and a nightclub venue that will be topped with a retractable roof. According to Dream Hotel Group's Chief Development Officer, **David Kuperberg**, leading nightlife company Tao Group will anchor the hotel's food and beverage program.

The Dream Hotel Group currently owns and operates properties in New York City, Miami and in Thailand (Phuket and Bangkok).
