

Why Dive Heron Island?

- On the reef and only 5-15 minutes to 20 diving sites
- In a marine national park
- Shallow reef dives
- See turtles, mantas, rays, sharks, dolphins, tropical fish among coral gardens
- Caters to all levels of divers—novice to experienced
- Highest-quality diving equipment
- Stable platform-style boats with shade canopies, and giant stride entry/exit via wide ladders
- Experienced Divemasters, and max 8 divers per Divemaster
- No carrying of tanks or weights
- 3 daily dives (09:00, 11:00 and 14:30) and night dives too!
