Spa Etiquette

HOURS OF OPERATION

The Spa is open daily from 10.00 to 21.00.
The last treatment service is at 20.00.

RESERVATIONS

Spa treatment reservations can be made by telephone through our operator dial "0" or to Spa "191" When making a booking, your room number and complete name are required. We recommend making a reservation at least one day in advance to ensure availability.

CANCELLATION POLICY

Should you need to cancel your appointment, please allow four hours' notice to avoid a 50% charge. A "no show" will be charged at the full value of the scheduled treatment.

ARRIVAL

We encourage you to arrive at least 10 minutes before your scheduled treatment to ensure total relaxation and enhanced treatment results. This will allow you time to complete the spa consultation process, and be ready for your treatment. Arriving late for your appointment will limit your treatment time, reducing its full benefits and your enjoyment. Your treatment will end on time to prevent any inconvenience to the next guest and the same treatment price will apply.

SPECIAL CONSIDERATIONS

- Your health and safety come first. Please help us to provide you with the best possible spa experience by completing the guest consultation form.
- Please inform us of any medical conditions or other special needs that require our attention
- As the Spa offers each guest the chance to relax and rejuvenate, we appreciate you leaving your mobile phone in your guest room or switching it to silent mode or off upon entering the spa premises.
- Smoking and consumption of alcohol inside the spa premises are strictly prohibited.
- Alcohol consumption is not recommended before any spa treatment.

TAXES AND GST

Sound Healing Therapies

This ancient and sacred sound healing method first appeared in Tibet, around the 12th century for meditation and rituals. Sound healing synchronizes brain waves to achieve profound states of relaxation, helping to restore the normal vibratory frequencies of the cells in our bodies. The adult body is 75% water, and water is an excellent conductor of sound vibrations. When vibrations travel through the body, they promote circulation, energy flow, and rejuvenation. The sound frequency synchronizes with the brain waves and activates the distress response in the body.

Sound Healing Therapy (30 minutes)

\$75.00

During Sound Healing, energy chimes are placed on or near your body and played in intuitive combinations, emitting intriguing sound pulsations. In this deep state of relaxation, you are slowing the brain waves, shifting energy blockages, balancing chakras and realigning both your physical and light bodies with the Universal Resonance.

Full Body Sound Healing Therapy (80 minutes) *

\$165.00

A full-body session brings one into pure bliss. Started with full body massage then continue with sound healing therapy where the bowls are placed on and around the body, the serene vibration.

Face Renewal Sound Healing Therapy (80 minutes) *

\$165.00

The treatment will start with a facial, perfectly customized to purify, balance and moisturize. Continue by sound healing therapy is an effective and proven modality using vibrational sound to massage every cell in your body.

Indian Head Sound Healing Therapy (50 minutes)

\$120.00

Started with an Indian head massage that focuses on massaging acupressure points along the head, neck, and shoulders, often using circular massage strokes to improve hair and scalp condition. Continue by sound healing therapy that is effective not only through hearing but by tapping into the body's unconscious natural rhythmic energy and vibrations.

All the above prices are in USD and subject to 10% service charge and 16% government taxes.
*Applicable for all-inclusive package.
