Cancun, Mexico (June 28, 2023) – To kick off summer travel, Grand Fiesta Americana Coral Beach Cancun All Inclusive Spa Resort—part of La Colección Resorts by Fiesta Americana—is excited to announce the grand opening of three new fine dining outlets. Set to debut this upcoming summer season, the new restaurants promise to serve guests a diverse selection of world-class cuisine, adding to the already impressive award-winning roster of dining options available at the resort.

“Throughout the years, Coral Beach has adapted to exceed the needs of our guests,” said Alberto Gurrola, Managing Director at Grand Fiesta Americana Coral Beach Cancun All-Inclusive Spa Resort. “When the hotel transitioned to a luxury all-inclusive model in 2020, we recognized the need for more dining options. After thorough planning and thoughtful research, we are extremely pleased with the results. We look forward to unveiling a full program of restaurants this summer that will complement our already robust luxury all-inclusive offerings.”

The first venue, **Tuscany**, will specialize in Tuscan cuisine, including fresh, homemade pasta dishes like spaghetti Carbonara and Cacio e Pepe, classic antipasti like Sicilian Arancini, and a variety of salads. Foodies looking to experiment will delight at the wide variety of risottos offered, such as the seasonal Pescatore—made with fresh seafood, white wine, and a touch of saffron—and many more unique creations from the menu. End the meal with the restaurant’s unique interpretation of time-honored desserts, such as Tiramisu and Gelato. Diners are welcome to enjoy Italy’s most celebrated cuisine as the melody of live tenors fills the air, transporting them to a realm of culinary and musical delight.

Also joining the culinary offering at this luxury resort is **Torii**. This authentic Asian restaurant will feature a sushi bar, Teppanyaki Tables that seat up to 120 guests, and nightly entertainment including an ancient Japanese drum ceremony, a traditional Chinese lion dance and a time-honored sake ritual performed to usher in good luck, fortune, and prosperity. Guests will enjoy innovative and creative rolls and temakis, using the freshest ingredients, along with other star menu items like the Kampachi sashimi with jalapeño and miso and crispy rice with spicy tuna and wakame. Those looking to elevate their dining experience can opt for the Chef’s Omakase menu, which is accompanied by miso soup, fried rice, and your choice of one of three protein options: Wagyu A5, lobster, or sea urchin.

Rounding out the new culinary venues is an Argentinian-Mexican steakhouse called **HAVANNA**. This restaurant is designed to evoke a sultry dinner club ambiance, complete with late-night Tango shows

during dinner that transforms the venue into an exciting nightclub after dark. The restaurant's specialty will be Argentinean grilled cuts prepared using a red-hot charcoal grill. Visitors will savor all sorts of cuts like Beef Filet, Ribeye, Korobuta Pork Chop, and a rack of Lamb, as well as premium cuts like Tomahawk, Kansas City and Porterhouse for an additional charge. **HAVANNA's** menu will be complemented with classic salads in large portions to share, and an extensive list of accompaniments like roasted asparagus, creamed spinach, wild mushrooms, mac and cheese with aged cheddar, and Ribeye chicharron.

As the resort continues to innovate and exceed guest expectations, the addition of Tuscany, Torii, and HAVANNA reflects La Colección Resorts' dedication to providing an unparalleled level of luxury and sophistication. These three new restaurants, currently being constructed and designed with the utmost attention to detail, are set to impress diners with their stunning décor and impeccable service. Prior to their dinner reservations, guests can enjoy a cocktail at the new, elegantly decorated lounge and bar, accessed through a glass elevator.
