VILLAGE

OUR COMMUNITY

Village Hotels strive to be responsible and sustainable members of the community in everything we do, whilst acting as a hub for the local area, where people come together to work out, stay, meet, and play.

Our mission is simple, to have a positive impact on the communities we operate in, both environmentally and socially.

We are a hub of the local community and we like to get involved in local events and activities. We've launched a number of initiatives, at the hotel and within the local community.

WE CALL IT VILLAGE GREEN
