**Dada Bar + Lounge Presents "Silver Screen Sips"
A Series of Cocktails and Snacks Inspired by Classic Hong Kong Movies**

Hong Kong, 7 March 2024 – Hong Kong Tourism Board launches the "Art is in Hong Kong", showcasing a variety of stimulating international arts events. Dada Bar + Lounge (Dada), the bar at The Luxe Manor is embracing the diverse world of art through its exquisite cocktails and culinary offerings. Starting from March, Dada is excited to introduce the "**Silver Screen Sips**" series, featuring a selection of cocktails inspired by classic Hong Kong movies and nostalgic Hong Kong-style snacks, allowing guests to immerse themselves in an artistic atmosphere and relive the memorable moments of the past.

Savouring "Silver Screen Memories" - A Journey to the Past

CANE CRASH

Enjoying a snack during the movie is a crucial part of the cinema experience. In the past, instead of popcorn, moviegoers in Hong Kong preferred hot sugarcane wrapped in a paper bag. Dada Bar + Lounge evokes this memory with "**CANE CRASH**," a nostalgic twist on the classic cocktail Mojito. This cocktail blends rum, sugarcane juice, mint leaves, lime juice, and soda water together, harking back to the days when sugarcane was the go-to movie snack.

Which classic movie scenes will you recall?

DREAMLIKE INEBRIATION

THE LUXE MANOR
Established 2006

Drinking "DREAMLIKE INEBRIATION" allows you to forget all the past memories just like the mythical potion served by Meng Po, the goddess of oblivion in Chinese mythology. Would you still go for it? "**DREAMLIKE INEBRIATION**" is elegantly served in a vintage Chinese teacup, featuring homemade preserved prune vodka, ginger juice, and pu'er tea. This cocktail captures the essence of Hong Kong's nostalgic charm, showcasing a sensory experience that appeals to both sight and taste.

LIGHTHOUSE

As depicted in the movie "Happy Together," the lighthouse at the world's edge in Ushuaia, Argentina is a place where people can leave behind their unhappiness and start anew.

Mixologist has crafted the cocktail "**LIGHTHOUSE**". It blends whiskey with pu'er tea, incorporates peach purée, lime juice, and is adorned with a cinnamon stick that resembles a cigarette. This cocktail is designed to help guests shed their worries, anxieties and restlessness, creating a feeling of being at the edge of the world.

If you're of the opinion that everything has an expiration date, then you must try the timeless "**CANNED GOLDEN PINEAPPLE**" at Dada, which combines gin, pineapple juice, yuzu purée, lime juice, jasmine tea with local honey from Hong Kong Raw Honey. It offers a delicate balance of tea and fruity flavours, making it an ideal choice for those seeking a lighter option.

About Dada Bar + Lounge

Dada Bar + Lounge (Dada), inspired by the Dadaism art movement of the early 20th century, is a living example of contrast and imagination. Located on the 2/F of the luxury boutique hotel The Luxe Manor, the bar's design elegantly incorporates the spirit of the Dadaist cultural movement; the space is infused with irony and a visual extravaganza of contrasting patterns, fabrics, and shapes. For those searching for a dose of something bizarrely hip, Dada is a living, breathing ignition of the senses; daring drinks take the reins of taste buds, and inspired jazz melodies offer mesmerising aural flavours.
