RECOGNISED BY CONDÉ NAST TRAVELER

The annual *Readers' Choice Awards* celebrate the hotels, resorts, destinations and travel experiences that resonate most with the publication's global readership, with winners determined through reader voting and ratings. A NEW EXPRESSION OF THE PREMIER WING

Premier Club Room

Premier Club Room Bathroom

The Premier Wing is being thoughtfully renewed in phases, with the **Premier Club Rooms** and **Premier Club Lounge** now complete and welcoming guests, while refurbishment of the **Premier Rooms** is currently underway. The Premier Wing, comprising the Premier Rooms, Premier Club Rooms and Premier Club Lounge, is slated for completion in **Q1 2027**, bringing the renewed experience together as one cohesive offering.

Inspired by the character and heritage of Bras Basah, the 34 sqm Premier Rooms and Premier Club Rooms offer a calm, contemporary retreat in the heart of the city. Natural timber, soft lighting and tactile finishes create a warm and welcoming atmosphere, while a recessed window daybed offers a quiet space to pause and take in the city views.

Thoughtful details extend throughout the room, from a deep soaking bathtub and separate rain shower to a daily replenished minibar and filtered drinking water. Each room also features a dedicated water tag as a simple step towards more sustainable hospitality. Subtle references to the surrounding landscape and heritage are woven through the spaces, creating a sense of place without taking away from the comfort of the stay.

PREMIER CLUB LOUNGE: AN ELEVATED EXPERIENCE ABOVE THE CITY

Premier Club Lounge

For guests seeking a more elevated stay, the newly refurbished Premier Club Rooms offer exclusive access to the Premier Club Lounge on Level 19, where the experience begins with a dedicated check-in in the lounge. Designed as a seamless extension of the stay, the lounge offers a relaxed setting to start the day with breakfast and sparkling wine, pause over all-day refreshments, or unwind in the evening with cocktails and hors d'oeuvres.

Perched above the city, the Premier Club Lounge offers a contemporary veranda overlooking Singapore, with floor-to-ceiling views that shift throughout the day. Mornings are bright and unhurried, while evenings bring a more intimate atmosphere as the city lights come into view. Guests can settle into the lounge for quiet moments, casual conversations or a change of pace between meetings and exploring the city.

The experience is complemented by thoughtful privileges designed to make each stay feel effortless, including personalised check-in and check-out, a welcome amenity, daily laundry service and late check-out until 2pm, subject to availability.

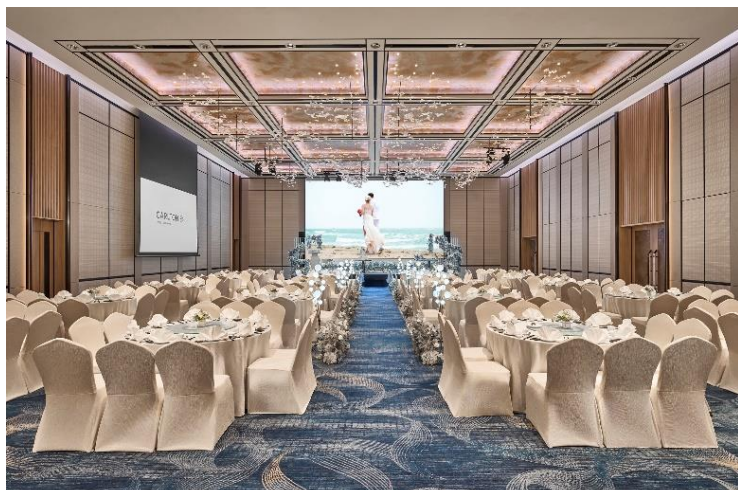

For those travelling for business or celebrating a special occasion, a private space within the lounge also offers a more intimate setting for meetings and private gatherings, bringing together the comfort of a lounge with the flexibility of a dedicated space.

THE TRANSFORMATION CONTINUES

The Premier Wing marks the beginning of a broader transformation across Carlton Hotel Singapore, with further enhancements taking shape across dining, wellness and meetings.

Dining will take on a renewed expression, with **Café Mosaic** set to undergo a complete facelift, bringing a stronger sense of identity to the hotel's signature dining destination. Known for its Hong Kong-influenced buffet experiences and Cantonese favourites alongside international selections, the refreshed space will offer a more distinctive setting for everything from relaxed family meals to leisurely dining occasions. **Tuxedo Café & Pâtisserie** will also be fully refreshed, building on its role as a contemporary café and pâtisserie where guests can pause over freshly prepared pastries, cakes, breads and coffee throughout the day. The new concept will further shape its identity as a more distinctive lifestyle destination within the hotel.

The hotel's **swimming pool** area will also be reimaged as a more holistic wellness setting, bringing together the existing swimming pool with new cold plunge pools to offer guests more opportunities for rest, recovery and rejuvenation. Complementing this, the newly enhanced **gym** features an expanded range of fitness equipment and an outdoor training area, giving guests greater flexibility to move between indoor and outdoor workouts as part of a more complete fitness experience.

Weddings at Empress Ballroom

For meetings and events, the **Esplanade Room** will undergo renovation, refreshing a versatile event space that can accommodate up to 100 guests for banquets and 102 in a theatre-style setting. The renewed venue will complement the recently renovated **Empress Ballrooms**, with Empress Ballrooms 4 and 5 offering pillarless spaces for larger events, accommodating up to 320 guests for banquets and 408 for theatre-style events. Featuring bespoke floating crystal chandeliers, high-definition LED walls and

immersive spatial audio, the refreshed Empress Ballrooms provide a contemporary setting for meetings, conferences, weddings and celebrations.

Together, these enhancements are slated for completion around Q2 2027, continuing Carlton Hotel Singapore's evolution and offering guests new ways to dine, unwind, gather and connect in the heart of the city.
