## Rain stopper services

Before essential occasions and celebrations, Bali residents divert rain to different places or hold it back for hours. A Hindu priest performs a ritual to divert rain to avoid damping celebrations and festivals. Small offerings and incense are offered, helping to push clouds away. This service is at an additional charge, please contact our Sales team to arrange it. Pepper Seminyak cannot be held responsible for rain-stopping services if inclement weather or failures occur.

## Religious Marriage Ceremony Requirement

To Indonesian Marriage Law, both the bride and the groom must have a legally binding marriage that adheres to the religion of their choice. The five religions recognized in Indonesia are Hinduism, Islam, Buddhism, Christianity, and Catholicism.
