Small changes, big impact

We're working towards a more sustainable future which is why we're introducing a few changes to our meeting rooms:

- Whiteboards instead of flip charts
- Smart interactive whiteboards
- Eco-friendly notepads and pens
- Douwe Egberts™ responsibly sourced coffee

Add a smart interactive whiteboard to your next meeting:

- Connect any laptop with a HDMI cable for screen sharing and presenting
- Make notes and brainstorm ideas using the whiteboard feature
- Download and share pages from the interactive whiteboard using the QR code technology
- Supports Google - Search the web during meetings

Fuelling your 9-to-5

Get energised for your workday with our new healthy and hearty breakfast, lunch, and refreshment menus. Choose from a selection of delicious and nutritious food to help fuel your ideas and keep you and your team energised throughout the day.

Hello? Is it me you're looking for?

NEW in all our bedrooms. we always put our guests first and want them to have a great stay. If there isn't something quite right, they can very quickly let the hotel teams know so that we can get it rectified during their stay.

Village Green & our latest fact for you....

Our mission is simple, to have a positive impact on the communities we operate in, both environmentally and socially. We strive to be responsible and sustainable members of the community in everything we do, whilst acting as a hub for the local area, where people come together to work out, stay, meet and play.

DID YOU KNOW?

When we replace any of our beds, they are returned to Sealy and are 100% recycled
