The vendor market and train ride return this year after a multi-year hiatus, and new interactive light displays will be added to the 2+ million lights - making 2022 the event's largest year yet.

"We are so excited for the Market's full return this winter," said Mike Arnold, event manager for the Cambria Christmas Market. "It's been a while since we were able to sell tickets to the public, and we know our guests have really missed shopping with our amazing vendors. We can't wait to get back to helping everyone make magical holiday memories with their families."

This joyous holiday experience is perfect for all ages - walk through an immersive path packed with more than **two million lights**, take a train ride, snap a picture with **Santa**, enjoy **live music** and a **local beer** in the Biergarten, taste international cuisine and drink (including gluhwein) and **shop for handmade gifts** and imported German goods at the authentic German Christmas market booths.

The neighboring [Cambria Nursery and Florist](#) will also participate in the festivities, with thousands of lights, a Christmas Museum and plenty of shopping opportunities, including imported German Christmas collectibles and ornaments.

The Market starts on Friday, November 25th and runs through Friday, December 23rd, 5-9 p.m. (closed Mondays and Tuesdays through Dec. 13th). Admission ranges from \$15-\$25 per person ages 6+, depending on the evening; children 5 & under are free. [Tickets](#) are available online in advance and tend to sell out quickly. A limited

number of [VIP parking passes](#) are also available for \$25, at the Cambria Nursery, and free shuttles will be provided throughout town.

NON-PROFIT PARTNERS

“Throughout the years, we’ve really enjoyed partnering with different organizations to ensure the event benefits many groups throughout the community,” said Arnold. “We consistently partner with the school district and local artists through our vendor booths, as well as Jack’s Helping Hands, H.A.R.T and more. We also encourage guests to visit downtown Cambria’s shops and restaurants before and after they make their way to the event. We really want the whole community involved.”
