SYDNEY, 5 December 2023: Sofitel is collaborating with Fever's famous Candlelight Experiences to create an enchanting **Candlelight Christmas: Love Actually, Home Alone & More** concert at **Sofitel Sydney Wentworth**. This will be an immersive evening that showcases the soundtracks of your favourite Christmas movies played by a string quartet in the open terrace, surrounded by the gentle flicker of candles. The hotel is also offering a three-course dinner including welcome drink and canapes before the concert, for those who wish to make the night even more memorable.

This exclusive concert will pay homage to Sofitel's Candle Ritual: an evening ceremony held in all Sofitel global locations, inspired by the tradition of lighting up the streets of Paris, a practice dating back to the era of Louis XIV. Located in the heart of the French capital, between the prestigious Place de la Concorde and the mythical Champs-Élysées, Sofitel Paris Le Faubourg was the first venue to host the special event, with a concert featuring seasonal soundtracks such as "Let it Snow", "Last Christmas" and more on November 21st.

Our team has meticulously crafted an exclusive evening and we aim to make the night truly extraordinary," said Sam Panetta, General Manager of Sofitel Sydney Wentworth. "Join us in celebrating the conclusion of the year with a Candlelight Christmas Concert on our iconic Garden Court Terrace."

This ritual is a nod to the French zest, a value dear to Sofitel and intrinsic to each of its destinations worldwide, embracing an effortless chic attitude.

Sofitel hotels are places where we celebrate and where every little moment can be savoured.

The majestic Garden Court Terrace with Sofitel Sydney Wentworth's heritage-listed, all-brick façade will create a beautiful backdrop for this festive concert, with tickets starting from \$179 including the concert, a welcome drink and canapés on arrival, followed by a 3-course dinner with a drink.
