

SALT

Salt has been used by humans for thousands of years to preserve and season food. It is part of our human history and also an integral part of Balinese history and culture, where it is created and harvested along the East Coast where the seawater, sun and wind influence the colour, shape, texture and most importantly the flavour of the salt.

STARTERS

- Vietnamese Summer Roll** 🌿 🍷 55k

SALT

The SALT Concept was created to pay tribute to this all-important ingredient, we are passionate about salt and only use the best quality variations as well as create our own infused salts to enhance our dishes. In both our food and beverages, you will find traditional salts such as Balinese sea salt, Pink Himalayan salt, Hawaiian black salt as well as our own salts infused with spices, herbs, fruits and berries.
