

## DRINKS & TAPAS

The Grotto Bar was part of the original Camp Field facilities, housing the showers for the summer camp (which is why our housekeeping laundry shares the building with us to this day).

The Cave art was built to tribute natural formations found beneath the floor, and the replacement shards for the Resort's original Dale Chihuly art sculpture fixed into the ceiling of the cave.

We are passionate about crafting exceptional drinks, providing excellent service, and sharing our joy of the cocktail world. We use fresh, seasonal ingredients whenever possible and are constantly tinkering & experimenting. Cheers!
