WINE TASTING WITH THE LIQUID CONCEPT

Ifuru Island Maldives is proud to announce the upcoming Raa Atoll Liquid Tasting, an exclusive gathering of sommeliers, F&B professionals, and hospitality leaders, set to take place on 26 June 2025. This curated event is presented in collaboration with The Liquid Concept, a premium beverage platform renowned for its concept-driven approach to wine and spirits curation across the Indian Ocean region.

Founded in 2021, The Liquid Concept offers a 360-degree beverage experience, with a portfolio that includes fine wines, artisanal spirits, grower and grand marque Champagnes, vermouths, low- and no-alcohol alternatives, and innovative beverage solutions tailored for hospitality and lifestyle destinations. Their mission is to transform the way people experience drinks—through purposeful curation, sustainable innovation, and immersive storytelling.

Held in the idyllic setting of Ifuru Island, the tasting event will showcase over 40 exceptional wine labels from across the globe, handpicked from The Liquid Concept's diverse and intentional selection. Attendees will embark on a sensory journey through expertly chosen wines, each representing unique terroirs, winemaking philosophies, and distinct stories.

Elevating the experience further, guests will enjoy a specially designed three-course tasting menu, with dishes crafted to complement and enhance the wine pairings. This seamless blend of food and beverage aims to highlight the art of hospitality and refined palate engagement.

As part of the event's focus on innovation and sustainability, Ifuru Island and The Liquid Concept will also unveil the Bermar Wine & Champagne Preservation System—a cutting-edge solution for wine-by-the-glass service. This technology preserves the integrity of wines and champagnes after opening, offering resorts a smart, sustainable way to reduce waste and elevate guest service.

The Raa Atoll Liquid Tasting is by invitation only and is set to become a signature event that underscores Ifuru Island's commitment to advancing the culinary and beverage landscape of the Maldives.
