- You agree to pay a pet fee of \$55 per dog, per night plus tax. This includes a \$5 donation to Tri-Lakes Humane Society.
- Please be mindful and clean up after your dog(s) on hotel grounds and in the Village of Lake Placid.
- Dog owners who do not clean up after their dog(s) in their room will be charged a pet cleaning fee (minimum \$250). It would be greatly appreciated if dogs were kept off all beds and furniture.
- Dogs are not allowed on the 2<sup>nd</sup> and 5<sup>th</sup> floors of the main building of the Resort. These floors are strictly reserved for guests with allergies or requesting pet-free accommodation.

- Your dog(s) must always be kept on a leash on the High Peaks Resort property. It is requested that you respect other guests by walking your dog(s) in "dog walking areas" that are not attended by other guests or children. These are in the rear of the Main Building and Lake House Building parking lots.
- Do not leave your dog(s) unattended, in your room, balcony, patio or common guest area at any time. Should you require departing from your room for a short period of time, it is mandatory to inform the front desk personnel upon your departure from the property and the length of time of departure. Housekeeping will not service rooms with one or more unattended dogs.
- Dogs are not allowed in the pool areas or in any food service area.
- The resort reserves the discretionary right to decline entry or refuse occupancy to any dog at any time.

Thank you for your cooperation!

I have read and fully understand the conditions and agree to these terms and I understand that these policies will be enforced.

## DOG REGISTRATION

To Our Canine Friends:

Welcome to High Peaks Resort! We are delighted to have you as our guest in beautiful Lake Placid. To ensure a perfect stay for fellow dogs and their human companions, we would appreciate it if you would please observe the following guidelines:

- The hotel is happy to have you stay in the guest room if you are fully trained. Please make sure your owner cleans up after you but if there is an accident in the room, don't terrier self up about it. Just let housekeeping or the front desk know so that it can be taken care of as soon as possible.
- We have designated the 2<sup>nd</sup> and 5<sup>th</sup> Floors as our "Pet Free Floor" for those human guests with allergies, so we ask that you please do not go to the 2<sup>nd</sup> and 5<sup>th</sup> Floors of the main building. You are welcome to bring your human anywhere else on our property apart from the food and beverage outlets, fitness center, and pool areas. This exclusion does not apply to service dogs.
- We ask that you please stay attached to your owner by a leash unless in the guest room and make sure that they clean up after you on the hotel grounds and around the neighborhood.
- Please be aware that your human will be charged a \$55 fee per animal, per night plus tax. This includes a \$5 donation to Tri-Lakes Humane Society.
- We would appreciate your assistance in avoiding any noise disturbances, such as barking, to ensure other pups and people are not inconvenienced.
- If you have any questions about where you and your human can run around, please don't hesitate to contact our Guest Services team.
- Please be aware that High Peaks Resort staff will not enter the room if you are inside without your human. Please have your owner contact the Operator by pressing the "SERVICE AT ITS PEAK" button on the guest room telephone to arrange for a convenient time to service your room while you are out.

Thank you for your cooperation and we hope that you enjoy your visit to High Peaks Resort.

Best Regards,  
Matthew Wheeler
