VISIT MALAYSIA TO BE A NATION

Visit Malaysia Year (VMY) 2020 has now become a national mission and a major catalyst for the tourism industry to ensure Malaysia remains competitive. Themed 'Travel. Enjoy. Respect', the deputy prime minister, Datuk Seri Dr Ahmad Zahid Hamidi said that VMY will become the core agenda in achieving the country's tourism target under the Malaysia Tourism Transformation Plan.

After chairing the Tourism Cabinet Committee Meeting, Zahid, who is also Home Minister, said a VMY2020 Secretariat has been established under Tourism Malaysia, to organise, plan and oversee the activities for the campaign.

"All relevant ministries, government agencies and departments are prepared to give its full commitment to make sure the campaign achieves its target," he added. He also said that the tourism industry is among the major

contributors in the country's service industry, contributing a total of 14.8 per cent or RM182.4 billion in gross domestic product (GDP).

Although the tourism sector is one of the most booming industries, Zahid pointed out that there was a slight decrease of 3 per cent of tourist arrivals in 2017 with only a total of 25.94 million tourists to Malaysia compared to the year before.

"This was due to the decrease of ASEAN tourist arrivals (3.9 per cent) last year. A total of 75.1 per cent of tourists to Malaysia are from ASEAN countries as they continue to dominate tourist arrivals," he explained.

Prime Minister Datuk Seri Najib Razak had announced during his 2018 Budget speech last year that the country's tourism campaign (VMY) was set to make a return in 2020. The VMY was first launched in 1990, and subsequently held in 1994, 2007 and 2014.
