Utilising a result-driven machine that combines hot and cold temperatures, this facial enhances blood and lymphatic circulation, stimulates new collagen and elastin growth, and boosts skin metabolism and energy for visible skin renewal. A targeted collagen-stimulating ampoule is applied for maximum absorption.

Holistic Super Facial

\$198/ 1h 00 min

Experience the rejuvenating power of our Holistic Super Facial, a treatment designed to detoxify, de-stress, and revitalise your skin from within. This facial begins with a thorough skin analysis to tailor the treatment to your unique needs. Our skilled therapists use gentle, rhythmic massage techniques to stimulate lymphatic flow, promoting the removal of toxins and reducing puffiness.

Hydration Facial

Embark on a blissful journey with our Hydration Facial—a fusion of hydration, relaxation, and skin revitalisation. Hydration Masks: Our Hydration Mask Facial saturates thirsty skin with moisture and essential minerals. Prepare for a dewy, glowy complexion. Facial Massage: Picture smoothing, relaxing and stretching movements on your face and neck muscles. This rhythmic, soothing technique optimises skin cell receptivity, while the enveloping massage of the face and neck inspired by the soothing and relaxing rhythm of the waves to offer deep relaxation, leaves you feeling weightless and rejuvenated.
