Khao soi is one of the most well-known dishes in Chiang Mai! It's the perfect balance of salty, sweet, sour and spicy, the 4 essential flavours found throughout Thai cuisine. Khao soi is a Northern Thai curry made with shrimp paste, lemongrass, ginger, turmeric, coriander seeds, lime leaves, cardamom, chillies and palm sugar. As you can imagine, the wonderful scent and aromas of this curry are loved by many Thais and foreigners. The curry itself is finished with a dash of coconut milk, which makes the curry rich and creamy.

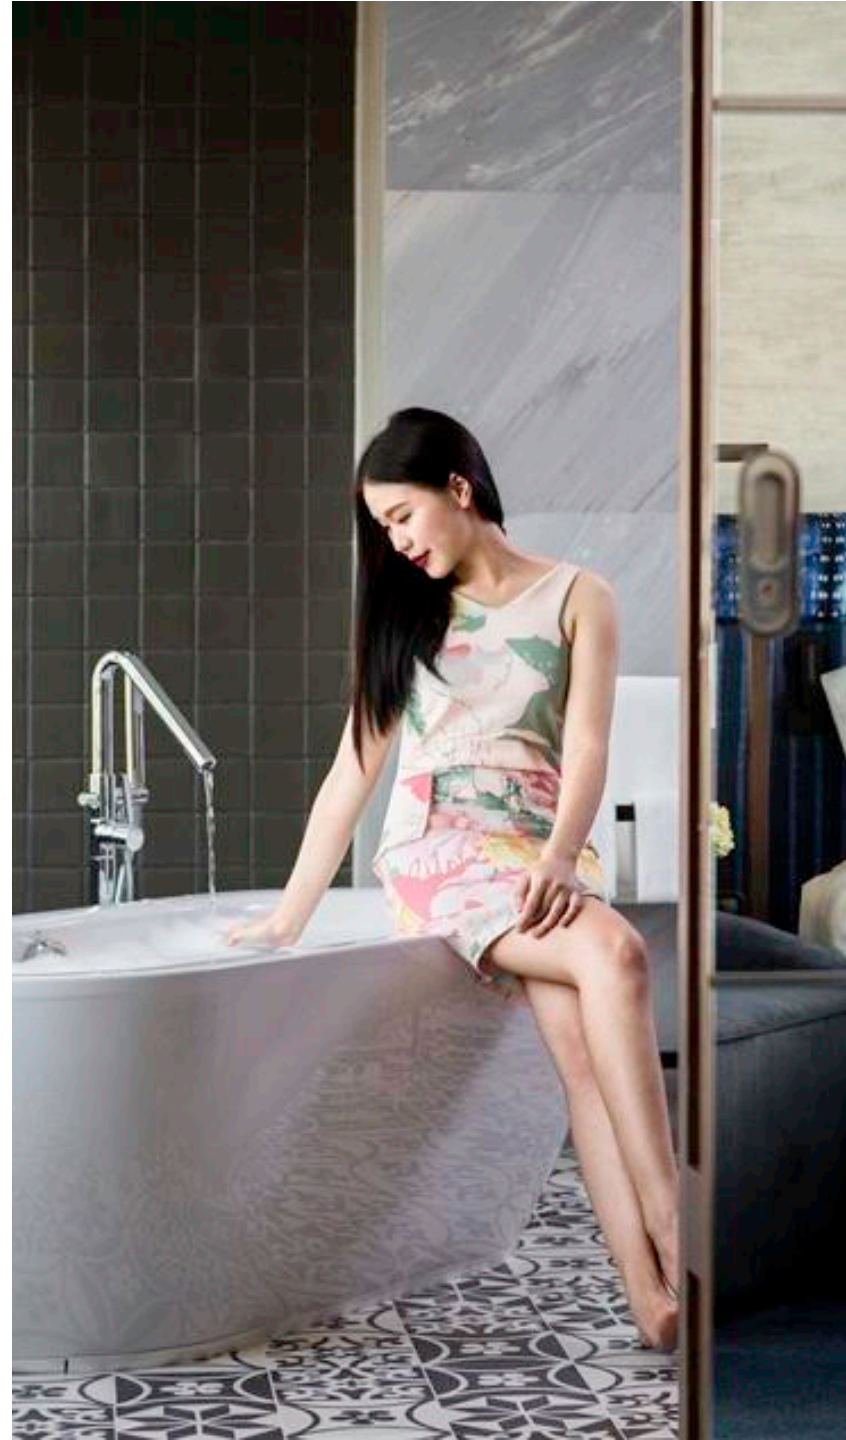

U Chiang Mai invites you to taste this deliciously creamy and slightly spicy yellow curry dish for yourself! Plus, you can enjoy it with your favourite choice of meat! Choose from Salmon, Beef, Grilled Shrimp, Soft-Shell Crab, Chiang Mai Sausage and Crispy Pork, starting from THB 250.
