SPA etiquette

Cactus Spa facilities are an oasis of serenity, relaxation and rejuvenation. To maintain this quiet environment, we ask you to be respectful to others privacy, speak softly, and deactivate any disruptive communication devices, such as cell phones or tablets.

WHAT TO WEAR?

We will provide you with a robe and slippers to wear while visiting our Spa and you will be assigned a locker to store your personal belongings. During your Spa treatment, it is recommended that you experience body services without clothing. Our therapists are professionally trained and will ensure a level of comfort by appropriately draping areas of the body that are not a focus of the treatment. We require that swimming attire be worn in all co-ed whirlpool, sauna, and steam facilities.

CANCELLING A SPA RESERVATION

If cancellation of your appointment is required, we advise you to do so within a minimum period of 24 hours beforehand. Otherwise, a 50% service charge plus taxes will be applied to your card or to your room bill. No shows will be charged a 100% service charge plus taxes.

STORING VALUABLES

All lockers have a security mechanism (such as a combination lock), or if you prefer, you can leave valuable personal items in the safe of your guest room, or in one of the safe deposit boxes at the front desk of the hotel.

LATE ARRIVAL TIME

We ask that you arrive at least 15 minutes prior to your scheduled appointment time; however, if a late arrival is unavoidable, please call to notify the Spa receptionist whenever possible. Arriving late will simply limit the time for your treatment, as we must complete your service by the designated end-time in order to appropriately accommodate the next guest.

SPECIAL HEALTH CONSIDERATIONS

If you have health concerns or are pregnant, please be sure to notify our Spa staff when booking your treatment. Our receptionist can offer guidance on which treatments will be the most beneficial and those that should be avoided due to physical limitations or sensitivity.

ALCOHOLIC BEVERAGES AND SPA

For your own health and safety, we reserve the right to offer our services to people under the influence of alcohol or noxious substances. It is not recommended to drink alcoholic beverages immediately after receiving a Spa treatment. Alcohol consumption is not allowed in the Cactus Spa facilities, with the exception of the beauty salon area, where only one cocktail is allowed during your service.

GRATUITIES

Our Spa staff is dedicated to exceeding your expectations and creating a memorable Spa experience. Gratuities for these efforts are greatly appreciated and can be either given directly to the staff member or extended at the front desk of the Spa facility.

PAYMENT

We accept all major credit cards. If you are a guest of the hotel, you may also charge Spa service to your hotel room.

SPA GIFT CERTIFICATES

You may purchase gift certificates for a specific amount or for a particular service at the reception desk of the Spa or by phone. Subject to availability.

AGE MINIMUM

Massages and body treatments, as well as the use of Spa facilities, are exclusively for people over 18 years old. We have treatments for adolescents (14-17 years old), available with a parent or guardian present in the treatment room. Salon services (hair and nails) are available for 5-year-old children and older. Parents must be present for the service.

FEEDBACK

Please share your suggestions on how we can improve on our services; feel free to contact us!

SPA FACILITIES

As part of our Spa Services, the use of the hydrotherapy facilities are available to you without charge on the day of your treatment. We recommend that you allow enough time before your appointment to enjoy a hydrotherapy routine prior to any Spa or Salon treatment.
