

# SUSTAINABILITY REPORT

January - March 2022

## *Health & Safety*

As part of the Occupational Health and Safety Plan, Porta Hotel del Lago coordinated that on January 25, all staff received the third dose against Covid-19

## *Leadership and environmental management*

In February and March, 4 workshops were held as part of the Leadership and Environmental Management diploma course aimed at young people from the Lake Atitlán basin with the participation of 55 people in each workshop.

# SUSTAINABILITY REPORT

January - March 2022

## *Social support to the community*

During January through March, 7 donations of food and essential items were made to support the community, benefiting a total of 190 people.

## *Climate change awareness*

On March 26, the Earth Hour activity was carried out with our clients and guests, in order to make them aware of the seriousness of the consequences of climate change.
