The Fattoria meeting room owes its name to the building in which it is located. It is on the ground floor and is characterized by the rustic style of its origins. The brick ceiling, with a huge cross vault arch, gives the typical environment of the area. The large glass door offers a panorama of the cypresses of the entrance avenue of the resort, which brings the picturesque Tuscany into your event.

Its character makes it ideal for high-level meetings, press conferences and intimate ceremonies.

Our Library is the meeting space located on the ground floor in the neoclassical Villa, next to the bar and the restaurant. An ideal environment to welcome your informal and at the same time high-level meeting.

Also illuminated by the natural light that filters through the glass door overlooking the vineyards, it is an example of how it is possible to combine productivity and beauty.
