MOZAMBIQUE

MOZAMBIQUE

THE PEARL OF THE INDIAN OCEAN

With its beautiful, palm-fringed Indian Ocean coastline, vibrant mix of cultures and grand colonial architecture, Mozambique offers abundant opportunities for adventure, experience and discovery. With over 2,500 km of unspoilt beaches, Mozambique is the ideal secluded beach destination. The reefs of the Bazaruto Archipelago are home to over 1,200 species of marine creatures, including the rare dugong, and offer some of the most pristine dive sites in the world. The Gorongosa National Park is one of the wildest and most preserved parks in Africa, where visitors can have a true wilderness experience. Mozambique is famous for the quality of its fresh seafood. The Portuguese influence is felt in dishes such as peri-peri (hot & spicy) prawns and peri-peri chicken!
