Sunway Velocity Hotel is directly connected to Sunway Velocity Mall via the hotel's main lobby, and at level 5 into the Sunway Velocity Mall's Commune Floor. The hotel's direct link to the Sunway Velocity Mall provides guests with access to over 500 retail stores, 160 food and beverage outlets, a host of entertainment centres and recreational facilities.

Just steps from the hotel and popularly known as Malaysia's very first "Hotpot Town" is Nanjing Street, Sunway Velocity's answer to a growing trend for authentic Chinese *mala* hotpots ("mala" translates to numbing spiciness) and specialty stores selling food and imported goods from China. Located at Sunway Velocity's al fresco dining enclave at the V Boulevard, Nanjing Street features Kuala Lumpur's largest concentration of authentic China hotpot options with over 70 food and beverage outlets.

Guests will be reassured by the hotel's renewed focus on safety and well-being with Sunway Safe Stay; which incorporates five pillars of safety and hygiene measures with over 30 protocols of enhanced cleaning practices, assurance and well-being standards, providing each guest with a peace of mind whenever they stay at Sunway Velocity Hotel.

Sunway Velocity Hotel is also well connected to public transportation, linked directly to the Light Rapid Transit (LRT) and two (2) underground Mass Rapid Transit (MRT) stations, Maluri and Cochrane. Through the MRT, guests will have convenient access to areas like Tun Razak Exchange, Bukit Bintang shopping district, as well as many attractions nearby. For those arriving or heading to Kuala Lumpur International Airport (KLIA), the Express Rail Link (ERL) at KL Sentral is the fastest choice; all linked via the LRT / MRT stations.

Now that interstate travel within Malaysia has resumed, all Malaysian will be able to take advantage of the personal income tax relief of up to RM1,000.00 on expenditure related to domestic tourism (i.e. domestic hotel accommodation); providing every reason to holiday and travel in Malaysia. The period for claiming income tax relief of RM1,000.00 incurred on domestic travelling expenses has been extended to 31 December 2021.

Also announced as part of the National Economic Recovery Plan by the Government of Malaysia in June 2020, service tax exemption on accommodation and related services has been extended to 30 June 2021. Hotel rates are now quoted nett in Ringgit Malaysia (RM) inclusive of 0% service tax. Additionally, exemption of Tourism Tax (TTx) will be given to all foreign tourists staying at any accommodation premises in Malaysia until 30 June 2021.

Sunway Velocity Hotel Kuala Lumpur has implemented numerous “new normal” Standard Operating Procedures (SOPs), providing added assurance, comfort and peace of mind for all guests and staff.

IMPLEMENTATION OF #SUNWAYSAFESTAY

Sunway Velocity Hotel has implemented “new norms” best practices and policies, enhancing its hygiene practices and protocols to combat the spread of the COVID-19 pandemic. The Sunway Safe Stay programme incorporates five (5) pillars of safety and hygiene comprising of almost 30 protocols of heightened cleaning practices, assurance and well-being standards.

Elaborating on the Sunway Safe Stay programme, Sunway Velocity Hotel Kuala Lumpur, Senior General Manager, Mr. Kelly Leong said, “We have always prioritised a stringent cleaning protocol at all our hotels to help ensure the comfort of our guests and colleagues. This initiative includes the practice of highly visible and more frequent cleaning measures and different methods to food and beverage all reinforced by our new Sunway Safe Stay commitment which ultimately focuses on the holistic experience of our guests with a special emphasis on their wellbeing. The programme builds on Sunway’s existing protocols and includes staff training and the formation of an advisory committee comprising of medical experts from Sunway Medical Centre and industry professionals.”

The hotel’s fitness centre and swimming pool, located at level 16, operates with strict adherence to standard operating procedures (SOPs) and Sunway Safe Stay protocols. The hotel limits the number of guests, hence advanced booking is required.

As part of the Sunway Safe Stay programme, all guest rooms in Sunway Velocity Hotel are thoroughly deep-cleaned, adhering to the most stringent sanitisation processes that include the 10 high-touch point hygiene protocol on surfaces such as switches and electrical controls, door handles and knob, bathroom surfaces, telephone and remote controls, bed and bedding, bath amenities, hard surfaces, closet items, food & beverage cutlery and thermostats. Thereafter, a notification will be placed at the room door to indicate that proper cleaning and sanitising has been undertaken. For guest comfort and peace of mind, daily housekeeping service will only be carried out upon request. Guest room key cards are also disinfected before and after usage.
