## SUSTAINABLE DEVELOPMENT: TOWARDS A BETTER FUTURE

Porta Hotel del Lago continues to advance its commitment to sustainability and positive community impact. In the second quarter of 2023, the following actions were taken:

### COMMUNITY ENGAGEMENT

#### Environmental education and community participation:

In partnership with Amigos del Lago, 150 young people from the Atitlán lake basin were trained in environmental management and community participation.

### **Professional training:**

Trained young people from different educational institutions in the hospitality industry.

### **Environmental education:**

Talks were held for young people from different educational institutions on environmental topics.

### **Cultural activity:**

Partnered with Mis Años Dorados to host a cultural afternoon with community members to commemorate International Day of Older Persons.

### **Civic forum:**

Held a civic forum with mayoral candidates to share their development proposals with the community.

## SUSTAINABLE, QUALITY, AND SAFE PRACTICES

As part of our sustainable management system, we conduct regular evaluations of suppliers to ensure the continuity of compliance with good quality, sustainability, and safety practices.

## EMPLOYEE MOTIVATION

Mother's Day and Father's Day were celebrated to recognize the value of the company's employees.

## OCCUPATIONAL SAFETY

### Training for employees:

Various trainings were held for employees on first aid, fire prevention, evacuation, and rescue.
