**Hong Kong, xx November 2024** - The Luxe Manor, a boutique hotel located in Tsim Sha Tsui joins forces again with Italian professional haircare brand **Davines** to present an extraordinary series of offerings, including the **"Tutu Enchanted" Afternoon Tea** at the Nordic Restaurant FINDS with an exclusive Davines OI haircare gift sets, **Fizzy Dada-vines** cocktails and snacks at Dada Bar + Lounge and a luxurious "We Sustain Beauty" staycation in themed suites.

### **"Tutu Enchanted" Afternoon Tea at FINDS**

Let the forest atmosphere surround you as you enter FINDS with silhouettes of tree trunks, wooden deer heads and more. Coinciding with the launch of new **OI SOUFFLÉ** from the popular OI series by Davines, FINDS' culinary team drew inspiration from the ballet concept of the OI series and fluffy texture of OI SOUFFLÉ. The afternoon tea incorporates the signature red colour of the key ingredient, Roucou, presenting an elegant ballet-themed experience that delivers both subtle flavours and festive visual appeal.

The savoury creations include ***Marinated Hokkaido Scallop***, fresh scallops are delicately embraced by soy foam, introducing an innovative and complex flavour. Another highlight is the perfectly ***Roasted Black Angus Beef***, where the tender meat harmoniously complemented by the richness of black garlic.

The dessert selection draws inspiration from the classic Christmas ballet "***The Nutcracker***", specifically the second act, in which the Nutcracker Prince leads Clara into the Kingdom of Sweets, featuring eight different dances. Each dessert has been creatively designed based on the dancing characters and story elements, stimulating guests' imaginations.

***Dark Chocolate Marquise*** is crafted with premium Spanish chocolate, offering an intense, refined taste that reflects the passionate Spanish dance, perfectly embodying the first dance of the Chocolate (Spanish Dance).

Light and crispy choux puff filled with rich Arabic coffee cream creates an ***Arabica Coffee Puff*** that transports guests to the scene of the second dance - the Coffee (Arabian Dance), seamlessly blending the elegance of ballet with the richness of coffee.

The ***Gingerbread with Crème Brûlée*** is a perfect combination, like Mother Ginger hugging her children. Every bite radiates festive warmth, and is reminiscent of the playful sixth dance of Mother Ginger and her children.

The delicate and moist ***Plum Cake*** offers a balanced sweet-tart flavour, releasing rich plum scents with every bite, as if you were listening to the Sugar Plum Fairy's melodious flute in the eighth dance, as she performs her elegant and graceful ballet steps.

***Freshly-baked Cranberry Scones*** served with clotted cream and homemade Drottning sylt (Queen's Jam) round off this afternoon tea experience perfectly.
